DESCRIPTIONS OF EACH MONTH [↓](#)

FRKTR THE DNA OF YOUR **NEXT**

JANUARY 2025

MONTH NO. 1

Your dentistry is predictable, your practice is stable, but you know there's a **NEXT**...

*Month 1 is about identifying that **NEXT**, the bold goal you're scared to utter out loud, an extra gear. It could be as simple as wanting to bring on an associate so you can pursue other passions or spend time growing the business; it could be as wild as a desire to teach what you know, speak on stages around the world or start your own podcast and merch line. It's your life and you only get one of them, so let's reinvent your **NEXT**!*

FEBRUARY 2025

MONTH NO. 2

Now you know your **NEXT**. But are you up to the task? What if the dream is too big, the mission too impossible?

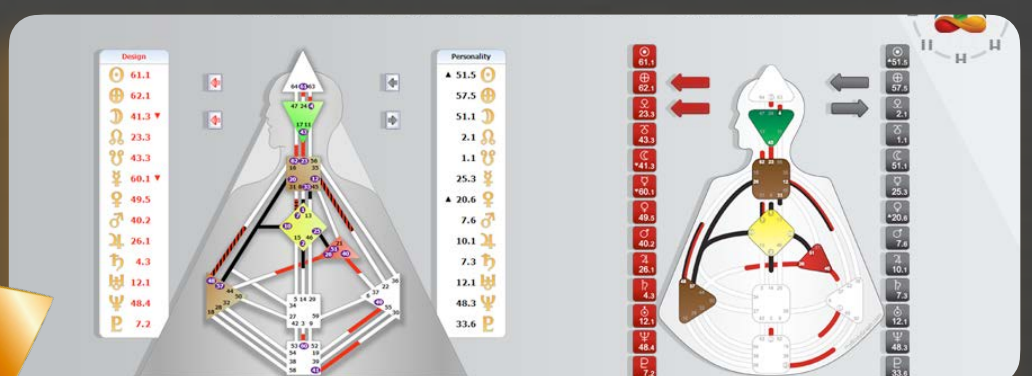

*In Month 2, Dr. Davina Detrik is going to utilize the science of Human Design to fine-tune your strengths and transform your weaknesses. The goal is a stone cold conviction, forged from of all places, your genetic blueprint. That way, it's no longer a question of can you rise to the task; it's that you're the only one who can. One mission, endless possibilities. That's the power of **NEXT**.*
