

Who needs My Life Tutors?

- 50% of all college students graduate on-time
- 39% of college students with ASD graduate on-time
- 25% of college students with ADHD persist for 8 semesters
- 27% of first-generation college students graduate on-time
- 35% of BIPOC college students graduate on-time
- 10% of low-income students graduate on-time
- Colleges and Universities that want to help these students matriculate successfully

How does it work?

Clients communicate daily/weekly in an app with their Life Tutor. Face-to-face meetings help clients navigate their schedules and tasks, acknowledge and build on past accomplishments, and pivot when unexpected challenges arise.

Higher Education solutions can be white-labeled and scheduled around the Institutional calendar.
