

Peanut-Free/Tree Nut-Free Table Participation Waiver

Learning Gate Community School maintains a peanut-free/tree-nut-free table in our cafeteria. This table is available to any child with a peanut or tree nut allergy. All students who wish to sit at this table must not have any food that contains any peanut or tree nut ingredients as part of their lunch. This table is permanently designated by labeling and location in the cafeteria. The table is cleaned with a bleach solution which is kept in a color-coded container and a separate cleaning cloth is designated for this table alone.

_____ **I wish for my child to use the peanut/nut-free table during lunch.**

_____ **I do not wish for my child to use the peanut/tree nut-free table during lunch.**

I understand that the school is providing a peanut/tree nut-free table during lunch. Even though my child has a peanut/ tree-nut allergy, I do not feel it necessary for my child to sit at the peanut/tree nut-free table. I prefer my child to be seated at a regular lunch table and I will notify the school of any changes to my child's allergy status. In electing not to have my child eat at the designated peanut/tree nut-free table, I will not hold the school responsible for any adverse events that may occur because of this decision.
