

GET READY FOR AN EXCITING SUMMER READING ADVENTURE!!!

We hope that you have many exciting books that you want to read this summer!
Please choose any **TWO** activities to complete for any **ONE** book!

<p>Submit a postcard to your homeroom teacher (use Learning Gate's address) and give us a summary about your book! Who are the main characters? What problems or interesting things do they encounter? Use your best version of descriptive language to tell us all about it!</p>	<p>Write a poem, song or rap about the book you are reading. Tell us about its characters, the main idea, the plot and any other interesting things that you think your teacher should know about the book you are reading. Remember, all poems do not have to rhyme (think haiku).</p>
<p>Draw or illustrate an alternative book cover for the book you are reading. Try not to copy the illustrator; we want this cover to be your very own interpretation of the images that pop up in your head as you read. We cannot wait to see your artistic style!</p>	<p style="text-align: center;">Got Social Media?!</p> <p>If one of the main characters in your book had a social media account, what would the summary about themselves say in their profile? . Bonus points if include a profile picture, # of followers, etc.</p>
<p>In books, geography is so important! Draw or sketch a map of one of the locations in your book! Don't forget color and a key! Write a brief explanation about what this location means in the book.</p>	<p>Write a review of your book to potential customers! Include what you like about the book, what could be changed or made better and how your experience was with reading the book. Do you have any suggestions for the author/illustrator? Don't forget to include how many stars it would get out of 5!</p>

We cannot wait to hear about your summer and we look forward to getting to know you!!
