Everybody's Talking

Silent giant: While scanning the ocean floor near the South Sandwich Islands, a research team's remotely operated camera caught sight of something no one had seen in the wild before: a live colossal squid. Hovering just beneath the surface of darkness, the juvenile creature appeared unexpectedly, its delicate form passing in front of the lens before vanishing again into the deep. For decades, knowledge of the species came only from fragments, such as remains discovered inside whales or washed up along the shore. This moment marked an exciting breakthrough in deep-sea biology, as researchers had long doubted such footage would ever exist. Even in modern science, the ocean keeps secrets, surfacing only when it chooses to.

Phantom residence: In the town of Gardner, Massachusetts (U.S.), a towering Victorian mansion is drawing attention, and not just for its architecture but for what may still wander its halls. Once built as a lavish showpiece by a successful chair manufacturer, the home's legacy has shifted from status symbol to ghost story. Tales swirl of strange voices, sudden chills, and a mysterious force in the attic. Some say former residents and forgotten figures never left, their presence felt in creaking floors and slamming doors. Although no proof confirms its darker past, the house's reputation has earned it a place on paranormal tours. The house occasionally appears on the market, offering a chance to own a piece of history, and maybe something else.

Buried cavalry: In Stuttgart, Germany, archaeologists unearthed the remains of over 100 Roman warhorses, revealing what was once a military burial ground near an ancient cavalry fort, hidden beneath layers of earth and time. Most of the horses had been hastily buried, likely due to age, injury, or illness, but one stood out. The animal had been laid to rest with care, alongside items usually reserved for human graves. Experts believe this reflects a deep bond between the animal and its rider. Nearby, the skeleton of a man buried face-down added a strange human note to the site. While the fort's soldiers have long disappeared, their horses are still telling stories. And those stories, it seems, are only just beginning to surface.

Wind sculpture: High on a rise near Burnley, England, a strange sound drifts through the mist. It's part whistle and part harmony, shaped entirely by the air. A tower of steel pipes, tilted and twisted like a tree leaning into the wind, transforms gusts into haunting melodies. Known as the Singing Ringing Tree, the sculpture was built where an old shed and radio masts once stood, turning a forgotten patch of land into a destination. Visitors walk fenced paths through wet grass to reach it, often pausing to listen as each breeze plays a new tune. Because the sound shifts constantly, no two songs are alike, changing with wind strength, direction, and the season. Some say the tree sings; others think it simply listens. Either way, it never stays silent for long.

Quoteable Quotes

"The art is not in making money, but in keeping it." —Proverb
"Only if we understand, will we care. Only if we care, will we help. Only if we help shall we all be saved." —Jane Goodall

What's Happening

Your Weekly Horoscope

ARIES
(March 20 – April 19)

A key phrase for Aries is often "I am." The beginning of this week may be a good time for you to ask yourself what your answer to this question might be. Lucky numbers: 10, 11, 25, 26, 35, 48.

LIBRA
(Sept. 23 – Oct. 22)

Solving a challenge may be best achieved now with your normal tact and diplomacy, or with a blunt approach. Knowing the other party will help you decide which one. Lucky numbers: 4, 14, 24, 34, 36, 38.

TAURUS
(April 20 – May 20)

At midweek, you might want to be careful about what you are eating. If you need a boost of energy, try to look for a healthy alternative to sugar and sweets. Lucky numbers: 7, 11, 14, 19, 33, 47.

SCORPIO
(Oct. 23 – Nov. 21)

At midweek, an obstacle may frustrate you. Look within yourself and see where you are being too fixed in your viewpoint. What might you be willing to compromise? Lucky numbers: 3, 12, 14, 22, 34, 47.

GEMINI
(May 21 – June 20)

You may find yourself very busy this weekend, with many people asking various things from you. Be sure to get enough rest or you may develop a seasonal illness. Lucky numbers: 11, 14, 26, 29, 36, 38.

SAGITTARIUS
(Nov. 22 – Dec. 21)

Things may feel somewhat chaotic at the end of the week. If you are having a difficult time making a decision, wait a few days until things settle back down. Lucky numbers: 5, 7, 26, 32, 38, 47.

CANCER
(June 21 – July 22)

You may feel lucky at midweek, and this sense might very well be true. If you feel you need the aid of others, this also may be a good time to ask them for that help. Lucky numbers: 9, 17, 25, 27, 33, 39.

CAPRICORN
(Dec. 22 – Jan. 19)

Following intuition is not a natural skill for many Capricorns. But at midweek, you may receive an important insight, so you will need to be paying attention. Lucky numbers: 13, 19, 28, 33, 44, 45.

LEO
(July 23 – Aug. 22)

Your natural enthusiasm may be dampened midweek. Consider taking advantage of the energy by seeking a message from your unconscious and following its lead. Lucky numbers: 12, 14, 17, 24, 33, 40.

AQUARIUS
(Jan. 20 – Feb. 18)

Aquarius don't always trust their intuition. Midweek may offer an opportunity to make an adjustment and strengthen this capability. The effort might be well worth it. Lucky numbers: 2, 10, 11, 14, 36, 40.

VIRGO
(Aug. 23 – Sept. 22)

Your ego drive may be subdued midweek. Don't worry about getting things done. Instead, be open to important insights that may not have been available to you before. Lucky numbers: 6, 8, 16, 18, 25, 28.

PISCES
(Feb. 19 – March 20)

For Pisces, receiving intuitive insights may be the norm. Midweek, uncomfortable information might arrive. Resist a temptation to ignore it; flow with it instead. Lucky numbers: 1, 19, 26, 34, 39, 46.

Lucky numbers this week: This week's odds favour Cancer winners with the luckiest number being 17.

Did You Know...

Desert drift: Fine grains from the Sahara Desert can hitch a ride on winds and float incredibly far, even landing in Texas (U.S.). The dust creates hazy skies, striking sunsets, and sometimes leaves a dusty film on cars and other surfaces.

Sunrise party: Ancient Egyptians welcomed the new year with gift-giving, sunlight rituals, and celebrations near the pyramids. Their Wepet Renpet festival didn't stay on one date, but sometimes happened more than once a year, depending on the stars.

Planet pick: At just 11 years old, Venetia Burney suggested the name "Pluto" for the newly discovered planet. Her idea, proposed at the breakfast table, stuck, earning her a lasting place in space history.

Glow show: Humans naturally emit a faint light, although it's far too dim to see with the naked eye. Scientists used special cameras to capture this glow, which changes throughout the day and shines brightest from the face and neck.

Salty shift: Parts of the Atlantic Ocean are getting even saltier over time. Researchers think this may be linked to warming waters and wind patterns, which help stir up and spread salt unevenly across the world's oceans.

On the Lighter Side

Knock! Knock! Who's there? Olive. Olive who? And they olive happily ever after.

What kind of food do math teachers eat? Square meals.

The president of the tailor's union held a press conference.

I used to sell loose onions until I got the sack.

Mutt: "I was operated on and really enjoyed it."

Jeff: "Oh, why?"

Mutt: "The doctor had me in stitches."

OUR BEST OFFER EVER!
From **\$19.95** month

MobileHelp
1-855-829-1810

*For a limited time - promotions available for select systems and subscription plans, please call for specific details. Offers are valid for new customers and for the first year of service and cannot be combined with any other offer. \$19.95 is the monthly subscription price for a MobileHelp Classic (at home only) system. There is a one-time \$49.95 processing fee to subscribe to this plan. Equipment shown is the MobileHelp D502 (at home) and on the go system available at a higher monthly cost. Most equipment is included at no cost while actively subscribing and must be returned upon cancellation. Free one month of service offer valid with purchase of Annual plan and includes month 12 at no additional charge. Refer to terms and conditions for specific details. Depending on the promotion chosen, you may receive an additional savings of \$5.00 off the \$11 retail price of Fall Detection service. After first year, Fall Detect pricing reverts to discounted price of \$8.25/month when combined with MobileHelp Connect Premium. Fall Detection does not detect 100% of falls. If able, users should push their help button when they need assistance. Fall detection is not intended to replace a caregiver. MobileHelp is a registered trademark, patented technology. Current GPS location may not always be available in every situation on the cellular network at all times. Expedited shipping offer is for Annual plans made prior to 3 PM EST Mon-Fri. Expedited shipping is standard 2-day -- no deliveries on Saturdays/Sundays or to Hawaii or Alaska. Shipping delays may occur due to situations beyond our control. PF-SPAD0505111658
