## Everybody's Talking

**Wildlife bridge:** In Agoura Hills, California (U.S.), a unique overpass built for animals is reshaping how roads and wildlands coexist. Stretching above a major freeway, the structure is carefully designed with native soil, plants, and fungi to resemble the surrounding hills. Every detail, from seed collection to the rerouting of water and power lines beneath the road, supports the goal of blending nature with infrastructure. The crossing will connect fragmented habitats, offering a safe passage for species that once roamed freely. Native shrubs and trees will eventually turn the bridge into a living extension of the land itself. Rather than block movement, the freeway will become part of a larger, greener path forward.

**Code access:** In Abuja, Nigeria, a small group of students watch as their instructor signs instructions beside a screen of glowing code. This classroom is part of Deaf-in-Tech, a training program giving individuals with hearing loss the tools to succeed in the country's fast-growing tech field. Lessons are led entirely through sign language, making complex digital skills accessible to those often left out. With mentorship, laptops, and career support included, students learn everything from data tools to programming. More than education, the goal is transformation. As technology continues to expand, this effort ensures that inclusion isn't an afterthought. One line of code at a time, barriers are being rewritten.

**Glacier escape:** In Iceland, guests can now sleep beside drifting icebergs in a transparent dome on water. Tucked away on Fjallsarlón Glacier Lagoon, the Aurora Hut offers a one-of-a-kind floating retreat complete with a bed, heat, bathroom, and views that stretch from glacial peaks to a sky full of stars. Accessed by zodiac boat, each hut is spaced out for privacy and rests silently in one of Iceland's most breathtaking settings. From within the glass ceiling, guests can watch northern lights ripple above or a sunrise light the nearby mountains. It's a rare chance to merge glacier exploration and overnight stay into one unforgettable moment. For those tired of hotels, it's a room that floats with the rhythm of the wild.

**Mirror wonder:** In Mount Tremper, New York (U.S.), an old grain silo unexpectedly hides a towering kaleidoscope that turns light and mirrors into a swirling spectacle. Visitors recline beneath a mirrored pyramid as shifting images flicker across a massive 60-foot (15.2 m) dome, creating the illusion of endless motion. Originally designed by a psychedelic artist, the show blends colour, sound, and movement into a short, immersive journey. Nearby, collectors browse one-of-a-kind kaleidoscopes, some crafted from stained glass or gemstone. The main attraction still draws crowds, especially those curious to see what it feels like to step inside a dream.

## Quoteable Quotes

"Contemplation seems to be about the only luxury that costs nothing."  
—Dodie Smith

"Life itself is the most wonderful fairy tale."  
—Hans Christian Andersen

## What's Happening

**Every Tuesday from 12pm-4pm: Senior Social Corner will be held at the Palm Coast Community Center.** Looking to get out the house Join other Seniors looking to make new friends or catch up with old ones. ## Your Weekly Horoscope

**ARIES**

(March 20 – April 19)

Confusion about where  
things stand continues  
this week. Patience is not  
an Aries key word but  
now may be a good time  
to make an adjustment  
to cultivate more of it. Lucky numbers:  
1, 13, 18, 20, 43, 46.

**TAURUS**

(April 20 – May 20)

Sometimes a Taurus can  
be as stubborn as the  
bull that is your sign.  
For the next month, be  
aware of digging in your  
heels. Is that a behaviour  
that is serving you? Lucky numbers:  
2, 7, 8, 39, 47, 48.

**GEMINI**

(May 21 – June 20)

This week you may con-  
tinue to feel that you are  
outside of your comfort  
zone. Consider what the  
universe might be telling  
you and how to make a  
positive adjustment. Lucky numbers:  
4, 20, 22, 24, 26, 48.

**CANCER**

(June 21 – July 22)

During the next month,  
you may feel that you are  
being unfairly treated.  
Instead of lashing out or  
retreating into a shell, try  
to find a gracious way to  
address the situation. Lucky numbers:  
6, 7, 14, 23, 29, 30.

**LEO**

(July 23 – Aug. 22)

The natural charm of  
your Leo nature may be  
heightened for the next  
month. It is important to  
work toward those out-  
comes that are a win-win  
for all involved. Lucky numbers: 9, 10,  
30, 32, 33, 37.

**VIRGO**

(Aug. 23 – Sept. 22)

On the relationships vs.  
results scale, Virgos can  
often lean more toward  
the latter. But the next  
month may offer an  
opportunity to bring  
more balance into that dynamic. Lucky  
numbers: 7, 10, 11, 26, 36, 47.

**LIBRA**

(Sept. 23 – Oct. 22)

Your birthday month is a  
good opportunity to eval-  
uate how things went last  
year and develop new  
plans. What are your  
goals and how can you  
achieve them? Lucky numbers: 10, 16,  
17, 26, 29, 36.

**SCORPIO**

(Oct. 23 – Nov. 21)

The next month is a very  
important period for you.  
You can use this time to  
break through old psychic  
patterns or to double  
down on power struggles.  
Choose wisely. Lucky numbers: 8, 17,  
18, 35, 40, 44.

**SAGITTARIUS**

(Nov. 22 – Dec. 21)

You may feel eager right  
now to expand your  
understanding of the  
world. Is it time to travel  
to a place you haven't  
visited or to educate  
yourself in a new subject? Lucky  
numbers: 3, 8, 12, 29, 35, 44.

**CAPRICORN**

(Dec. 22 – Jan. 19)

The astrological energy  
for the next few weeks  
may further boost your  
naturally ambitious  
nature. Just be aware of  
feeling obsessive about  
your arguments or plans. Lucky  
numbers: 11, 14, 23, 27, 30, 33.

**AQUARIUS**

(Jan. 20 – Feb. 18)

At midweek, you may  
feel caught between two  
conflicting emotions.  
Step confidently into  
your power. Don't start a  
fight, but don't hesitate  
to finish one if others start. Lucky  
numbers: 12, 19, 26, 30, 46, 47.

**PISCES**

(Feb. 19 – March 20)

Pisces can create castles  
in the sky but have trou-  
ble manifesting those  
dreams. The next month's  
astrological energy could  
support operating in a  
more grounded manner. Lucky numbers:  
22, 24, 27, 38, 40, 41.

Lucky numbers this week: This week's odds favour Leo winners  
with the luckiest number being 33.

## Did You Know...

**Chalk creatures:** The chalk used on blackboards is more  
than just a white rock. It's made from countless tiny fossils of  
ancient ocean plankton. These microscopic remains built up  
over time to form the soft, fossil-rich material we know today.

**Faster beat:** Women's hearts are typically smaller than  
men's, meaning they need to work a bit harder. To keep up,  
they beat more often, resulting in a naturally quicker heart rate  
compared to their male counterparts.

**Cloth etiquette:** During the Renaissance, tablecloths doubled  
as giant group napkins. Guests wiped their hands and mouths  
right on the fabric. Over time, this messy habit was replaced by  
individual napkins.

**Twister zone:** The U.S. sees more tornadoes than any other  
country, thanks to its broad, flat central plains and a mix of  
warm, moist Gulf air clashing with cooler air from the north.  
These stormy ingredients cause frequent tornado outbreaks.

**Nose flare:** Just like Pinocchio, liars can't fully hide the truth.  
But it's heat, not nose length, that gives them away. When  
someone is dishonest, the nose area warms up, revealing  
hidden tension through subtle changes in body temperature.

## On the Lighter Side

When the first diving school opened, graduates earned a  
deep-loma.

I plan to be spontaneous...tomorrow.

Farmer: "This is a dogwood tree."

City slicker: "How can you tell?"

Farmer: "By its bark."

Knock! Knock! *Who's there?* Sarah. *Sarah who?* Sarah  
reason you're not laughing?

What is as big as an elephant but doesn't weigh as much? An  
elephant's shadow.

## Answers

**Trivia answers:** 1. Filament 2. Argentina, Brazil 3. Piano  
or keyboard 4. One day 5. Guinevere
