Beneficial Ownership  
Information Report  
2024 Workshops:

11/21 and 12/18

## About The BOIR

Most small businesses are **required** to report information to FinCEN (an arm of the Federal Government under the Treasury Department) about the individuals who ultimately own or control them.

This Beneficial Ownership Information Report (BOIR) is due for most businesses January 1, 2025. With penalties up to \$10,000 or even jail time in a federal prison, we want to do our part to get the word out.

- ✓ Applies to all business entities: LLC, Corporations, Nonprofits, etc.
- ✓ Free to file, but several important nuances you need to know
