This BURN calendar is designed to make you sweat and help you get lean. Weight training and other resistance routines are sprinkled throughout this 3 month program because hypertrophy and strength exercises work in concert with leg and cardio routines to help you achieve your goals. The Pure Stretch, Morning Yoga, and Three Part Meditation routines can be used any time as alternative workouts, and both Crunch Town & Power of Core can be used more than twice a week sparingly. If you miss a few days in a row use the Total Body workout to help you catch up. And remember, take advantage of the STOP OPTIONS if you need them, and Power Down on those days you're not feeling 100%.
