

CLINICALLY SUPPORTED. EVERYDAY SIMPLE.

# DAY ROUTINE

GLOW THROUGH YOUR DAY WITH 3 EASY STEPS.

01

## CLEANSE

### Fresh Face Gel Cleanser

Gently clears and refreshes without stripping your skin.

*Wet face, neck, and eye area. Add a nickel-sized amount onto fingertips, gently massage into skin using a circular motion. Rinse thoroughly.*

02

## TREAT

### Glow Getter Serum

Targets fine lines and supports youthful skin.

*After cleansing, massage two pumps onto the face and neck using a gentle upward motion.*

03

## PROTECT

### Sun Shield SPF 30

Daily defense from sun damage.

*Apply three to four pumps onto the face and neck, massaging thoroughly until absorbed.*

## ADD ONS

## BRIGHT EYES

Illuminate, firm, and lift the delicate eye.

*Dispense a pea-sized amount onto ceramic applicator tip. Gently glide tip, starting at the inner corner of the eye and moving along the orbital bone toward the temple, then over the eyelid. (Morning & Night)*

## COLLAGEN

Strengthen skin from the inside out.

*Mix 2 level scoops with your favorite beverage and drink daily.*

# NIGHT ROUTINE

### After Hours Night Cream

Deep hydration while you sleep.

*Gently massage two pumps onto the face and neck as the last step to your nighttime skincare routine.*

## TIPS

- Massage gently** - Apply formulas using light, upward strokes to boost circulation and enhance absorption, but avoid pulling on the skin.
- Keep it clean** - Always wash your hands before applying skincare to prevent transferring bacteria.
- Show your hands some love** - They age too! Apply leftover product to the back of your hands for extra care.
