

SPELLCASTER ORACLE

Guidance Booklet

WWW.SEEKSPIRITUALITY.COM

These wonderful cards were designed for you with love and blessings.

Shuffle and choose a daily card, use in a 3 card spread, ask your own question or design your own spreads to understand the messages that each card offers you

Some brief explanations of each card are included in this booklet but we urge you to think about the words on the card combined with the imagery and use your intuition to help you follow your own path

You & Brand New
**SPELLCASTER
CARDS**

YOUR CARDS EXPLAINED

1 – Time to weave your own magic
Look for opportunities and make the most of them. Move forward. Success is the result of your own actions and initiatives

2 – Gaze at the Moon – the Dreams will soon be yours
Take time to meditate and visualise what you really want. Set your goals and use the beauty of the Moon to help you achieve them

3 – Beware of a shadow that will cross your path
Just when you thought everything was going well, challenges or obstacles will be placed in your path. Think about them logically and they will be easy to overcome. Do not over-react

4 – There is a dragon at the back of the cave
The dragon can be your friend or enemy. Think wisely how you greet them as their response is down to you

5 – You have all the ingredients to fill your Cauldron
Be happy with what you have. Do not be greedy or envious of anyone else

6 – A stranger will cross your path. Trust your intuition
Someone new will come into your life. They have a purpose – ensure you make time to understand what they are saying to you

7 – Dance with your sisters, dreams become reality
It is time to celebrate and rejoice. Long awaited good news will soon arrive

8 – The candle is almost spent. Time for the new

Make the changes to whatever is holding you back and stopping you from achieving your dreams ; job, relationship or home, you will know what it is

9 – Respect the views of a Wise Woman. Her herbs bring relief

Take note of anyone offering you help or advice. It will be more relevant than you first realise

10 – Abundance and Fruition Flows
Success and financial reward is soon to be yours

11 – Have patience with young souls, they do not understand
A series of annoying people or happenings will occur. Dont let them distract you from your purpose

12 – Manifest your passion and the Universe will be generous
Cast your spell for your dreams to come true. Lover, job, holiday or whatever else you desire. They will soon show themselves to you

13 – Power – You can deal with anything
Know you have the strength to get through difficulties, do not be despondent

14 – The noose is around you
You are caught in a no win situation. Get out of it as quickly and smoothly as you can

15 – Place an Offering in the flames and watch the changes
You need to be gracious and give a little to others in any argument or disagreement. Being arrogant and wanting to win at all costs is not the answer

16 – The path is divided, you need to choose your route
You have a tough decision to make – go with your heart

17 – Make an Altar, it is the foundation of your success
Now is the time to save, put down roots and plan for the future

18 – The pendulum is never still, trust the message
A series of changes will provide you with useful life lessons. Learn them and see your future fill with prosperity

19 – The wolf watches over you
There is someone who has your back and is looking out for you. Walk forward confidently

20 – Bathe in the moonlight – whoever joins you is the one
Be proud of yourself, your dream lover will join you soon or your current relationship will move forward to the next level

21 – The old tree holds the wisdom. See the new shoots
Old ideas or things you wanted to achieve in your life should be brought forward. Do not re-invent things

22 – The broken chalice – the trust is gone
Divided loyalties, betrayal, hurt and pain. You will recover

23 – Get your broom ready, its time to travel
Plan a journey, holiday or pilgrimage – it is well forecast

24– The crystal cave is ready to heal you
Take time out for yourself. You need to rest and heal. Ensure it is quality time with no distractions

25 – The cottage in the wood holds the secret – you have to find it
don't expect things to be delivered to your door. Work hard and keep your ideas to yourself – others may try and claim them as their own. You will be rewarded for your work

26 – The chest of treasure is within your grasp
Do not be blind to the money and good fortune that is around you. Watch for messages and signs that will give you clues as to your future

27 – The mirror crack'd, now you see clearly
A careless word or action from someone will make you realise you have been taken for granted or used. Do not hold the hurt this will make you feel. Know that you are blessed to have found out now

28 – Greet the stranger
News of success for health issues or academic results or any legal matters. Welcome the news

29 – Scatter your wishes to the wind
Speak out for what you believe in or want. You will be heard and support will come your way

30 – Cleanse your crystals in running water
Get rid of any emotional baggage you are still holding on to. Now is the time to recharge and move on

31 – Here comes the ghost again
A chance meeting with someone from your past or a forgotten relative will fill you with memories from the past

32 – Go your own way
Believe and trust in yourself. Put yourself first and do the things that you have always wanted to do

33 – The crossroads where ways part
Act quickly to avoid disaster. This could be any part of your life, the warning signs are there. Do not ignore them any more

34 – Memories in time
Bring all the youthful energy into your life now. It is a time to celebrate the seasons and know that family life is blossoming. Enjoy spending time with them
