

Relationship Coach Mai Vu Pens Book on How to be Loved, Adored and Cherished

Pleasanton, CA, United States - May 17, 2016

The Divorced Mom's Guide to Dating – How to Be Loved, Adored and Cherished, the first book by international relationship coach Mai Vu, reached bestseller status this week. The book answers the question "Why do I work so hard, but I am not getting the love, success, and support that I want?"

The book introduces the 3Ps concept, and Mai Vu takes women on a journey back to themselves and their birthright. Then Ms. Vu helps the women expand into their freedom and power. The book is a blueprint on how to create a new life and the result is, a HotLifeHotLove.

In addition to offering dating tips for divorced moms, Ms. Vu shows women how to attract that special someone, and how to be loved, adored and cherished, in everything they do. While the focus of the book is on dating, all aspects of the reader's life will be improved including their business or work life.

The Divorced Moms Guide to Dating is a unique book; it invites women to discover more about themselves and the ideal love life they desire, by meeting their 3Ps – their own Peasant, Princess and Priestess personality aspects. To be loved, adored and cherished, Mai believes women need to have these parts of themselves in proper alignment. The book helps women heal their 3Ps, and bring them into the balance needed to attract their ideal men. The result is a better and more balanced life, as aligning the 3Ps creates balance in all areas of a woman's life.

"I believe women should stop working so hard, trying to please everyone. In other words, stop being a Peasant in their life. Instead get to know their Princess and Priestess selves for guidance and access to a much "hotter" life," stated Ms. Vu.

"The Divorced Mom's Guide to Dating", published by Simply Good Press is now available for purchase on both Amazon (http://www.amazon.com/dp/B01DEBPFKG/ref=rdr_kindle_ext_tmb) and Barnes & Noble (<http://www.barnesandnoble.com/w/the-divorced-moms-guide-to-dating-mai-vu/1123609560?ean=9780692664469>) and in bookstores nationwide.
