- Bracket Airfilter STC SA71GL
- Prop Guard – Polyurethane Protective Tape – STC SP00582NY
- Micro VG's – SA00834SE
- Induction latch brackets - Dynamic Prop LLC – STC SA02425SE
- Air Research Tech Wing-X extensions – STC# SA-00276NY
- Increased Gross Weight Trolltune – STC# SA3608AT
- Logs from 1974 – 1987 Missing

AIRCRAFT SUMMARY

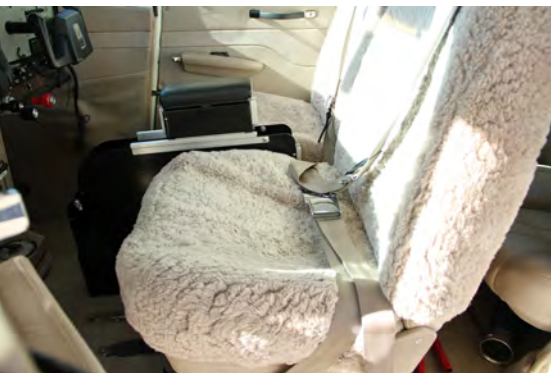

If you've been waiting for the perfect Skylane, this is it. This extremely low-time 182P is one of the best-equipped examples you'll find on the market today. With a state-of-the-art IFR panel—including STEC-30 Autopilot, Aspen PFD, Avidyne IFD540, Lynx L3 Transponder (TAS/ADSB In/Out), JPI EDM830 Engine Monitor, and PMA8000 Bluetooth Audio Panel—you'll fly with confidence, comfort, and modern capability.

This aircraft is more than just avionics—it's performance upgraded with wing tip aux fuel tanks, Wing-X extensions, Horton STOL kit, vortex generators, and increased gross weight. Whether you're chasing range, short-field performance, or payload, this Skylane delivers.

Add to that excellent paint and interior, and you've got a clean, sharp, turn-key airplane that's ready for adventures today.
