AIRCRAFT SUMMARY

A true gem! This Pressurized 210 comes equipped with factory air conditioning and full de-ice, making it a highly capable all-weather performer. The panel is clean and modern, featuring Garmin avionics and a new autopilot for dependable IFR capability. An auxiliary fuel tank in the baggage compartment extends your range, making long legs a breeze.

Comfortable, efficient, and built for serious travel, this aircraft is the ideal cross-country machine. Don't miss the chance to own one of the most versatile and desirable 210s available today!
