## **Your Homeschooling Resource Guide**

**Hello and welcome!**

**My name is Jane, and I'm excited to share some wonderful resources on the topic of homeschooling with you!**

**I know firsthand the joys, challenges, and fulfilling moments that come with homeschooling. I homeschooled my own children from kindergarten through being accepted to college, and they are now college graduates!**

**Over the years, I've come across many invaluable books that have helped me navigate this journey. I've curated a variety of topics in this guide, from getting started, to earning college credits while homeschooling, and everything in between. I hope these resources will help you as much as they have helped me!**

**Thank you for being here, and let me know if I can help you in any way!**

**Warmest regards,**

**Jane**
