Spicy levels: Mild - Medium - Thai Hot Street Food - Home Style - Grandma's Recipes

Most items can be made without spicy except curries If you need more spicy, we have homemade chili oil

Vegan menu upon request. We cannot make any dish that are both gluten free and vegan together

If you have any issue with the dish or don't like it, please let our staff know ASAP. We are happy to remake or replace it for you

There are some haters out there but who cares! We do our best to satisfy 99% of the customers not the 1%

Thank you for your support! :)
