The Making Of An Officer

The mission of the Naval Reserve Officers Training Corps is to develop midshipmen morally, mentally and physically and to imbue them with the highest ideals of duty, honor and loyalty in order to commission college graduates as naval officers who possess a basic professional

background, are motivated toward careers in the naval service, and have a potential for future development in mind and character so as to assume the highest responsibilities of command, citizenship and government.

Commanding Officer Colonel Stephen K. Smith, USMC

Memories and accomplishments are all the more enjoyable if both are pleasant experiences. Such is not always the case, but the Longhorn Log for 1986-1987 has attempted to at least provide a snapshot for your memory that highlights battalion accomplishments during the past year. Obviously, all of you were contributors, but I would single out the Publications Officer and his staff, the Anchorettes, and the editor of this excellent publication for "making it happen." And to those who supported this edition through personal contributions, or advertisements, my sincere thanks.

Colonel Smith is the Commanding Officer and Professor of Naval Science at UT NROTC, having assumed command on 1 August 1986.

COL Smith attended Hanover College and graduated with a Bachelor of Arts degree and was commissioned in 1964. He earned a Master of Science degree in Guidance and Counseling in 1975 from the University of Northern Colorado, completed the Marine Corps Amphibious Warfare School in 1970, and the Naval War College Command and Staff in 1978.

After completion of The Basic School and the Basic Artillery Officers Orientation Course in February, 1965, he reported to the 4th Battalion, 12th Marines, 3rd Marine Division which sailed for the Republic of Vietnam in June 1965. Following a 13 month tour in Vietnam, he reported to Marine Corps Supply Center, Albany, where he served as Commanding Officer for three different companies until reassigned in February 1967 to Marine Corps Recruit Depot, Parris Island, South Carolina. Returning to the United States in July 1969, he completed the Amphibious Warfare School and was assigned as Assistant Inspector-Instructor, 4th/5th 155MM Gun Batteries (SP), USMCR, Denver, Colorado, where he served until September 1972 when transferred to the 1st Marine Brigade, Kanehoe Marine Corps Air Station, Oahu. In July 1976, he joined the Third

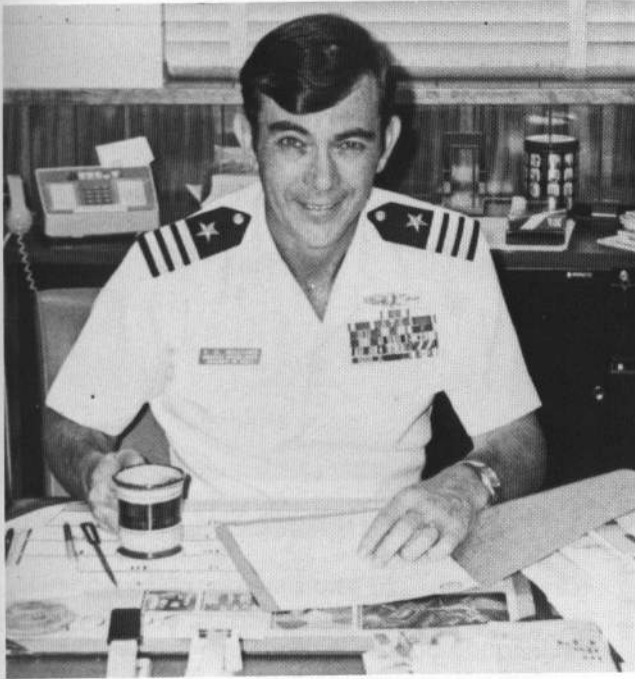

Marine Division as Operations Officer (S-3), 12th Marines.

In July 1977, COL Smith attended the Naval War College at Newport, Rhode Island, and was further assigned as Marine Officer Instructor, NROTC Unit, Purdue University where he served from 1978 to 1981. In August 1981, he was reassigned to Headquarters, U.S. Marine Corps where he served as Head, Officer Procurement, Personnel Procurement Division. Reassigned in August 1984 to the Defense Nuclear Agency, he served as the Chief, Emergency Actions Division, responsible for emergency operations relating to nuclear weapons incidents.

COL Smith's personal decorations and awards include the Defense Superior Service Medal, Bronze Star Medal with Combat "V" (gold star in lieu of second award), Purple Heart Medal, Meritorious Service Medal, Joint Service Commendation Medal, Navy Commendation Medal with Combat "V" and Vietnamese Cross of Gallantry with Silver Star.

I am still extremely pleased to be here after two years. I have no reservation that this battalion is the best in the country. I am particularly pleased with the academic performance (overall) of the Fourth class (now Third Class) midshipmen during the Spring semester — the best I've seen since I've been here and well above the University average. Well done to the now Third Class!

There were numerous significant accomplishments during the past year, too many to address each, but I must mention how impressed I was with the reestablished drill team. They worked hard, volunteering a lot of time, and the results validated the effort.

We had a great year and I look forward to an even better upcoming year. NROTC, University of Texas, is a CLASS ACT! Thanks for each of your contributions and also for your support.

College, Newport, RI. While there he obtained a Master's of Science degree in International and Public Affairs. In 1972, he was assigned duty as Officer-in-Charge, Mobile Training Team, Vietnam. In 1973, he left Vietnam and was temporarily assigned to Fleet Training Group, San Diego, CA.

LT Grzybowski discusses a little celestial navigation with a group of Anchoresses.

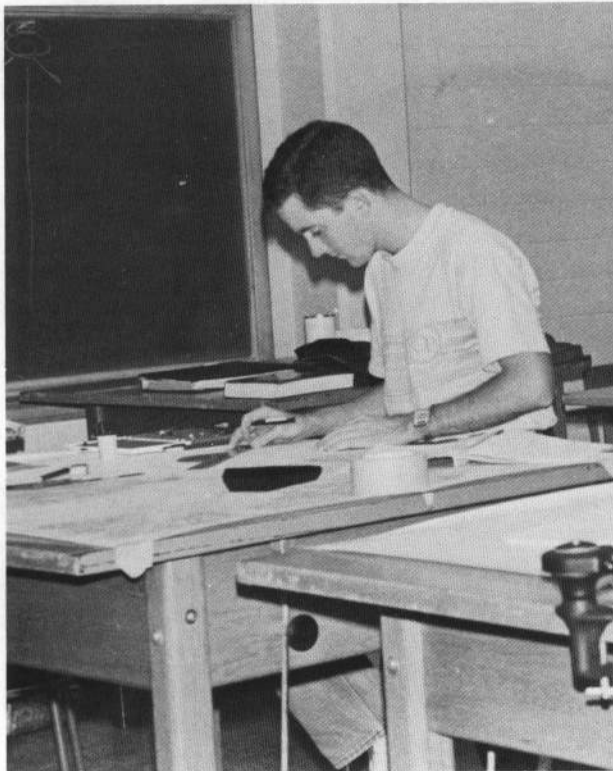

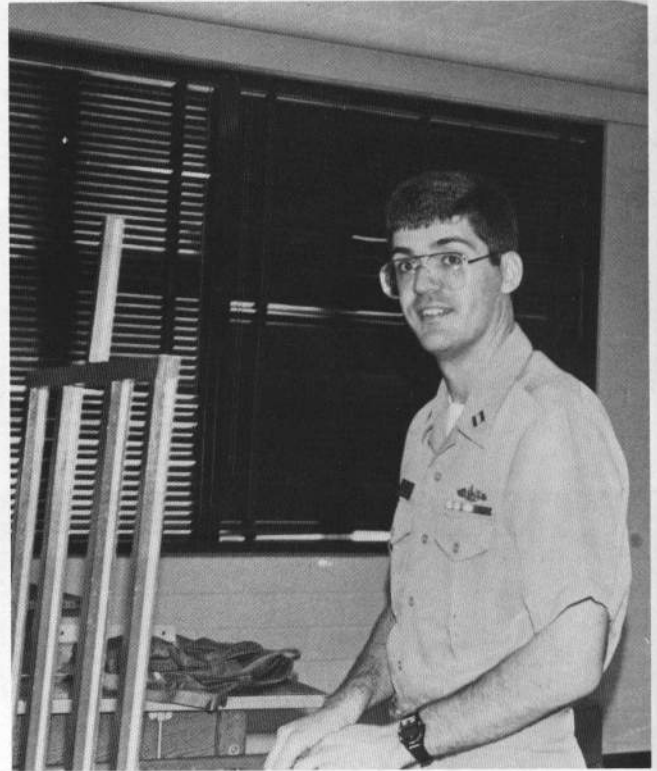

Midshipmen Shoot For High GPA's

Academic performance is the primary goal of the battalion. Each semester, each battalion member must balance a schedule which includes demanding courses for their major, Naval Science courses, be they Orientation or Navigation, and a variety of extracurricular activities, which are abundant at the University of Texas.

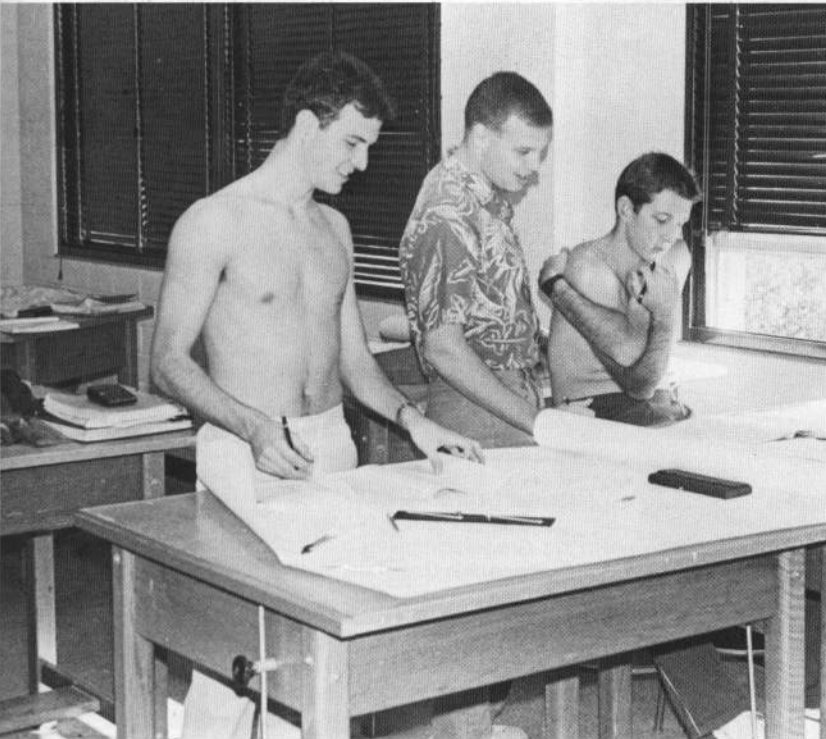

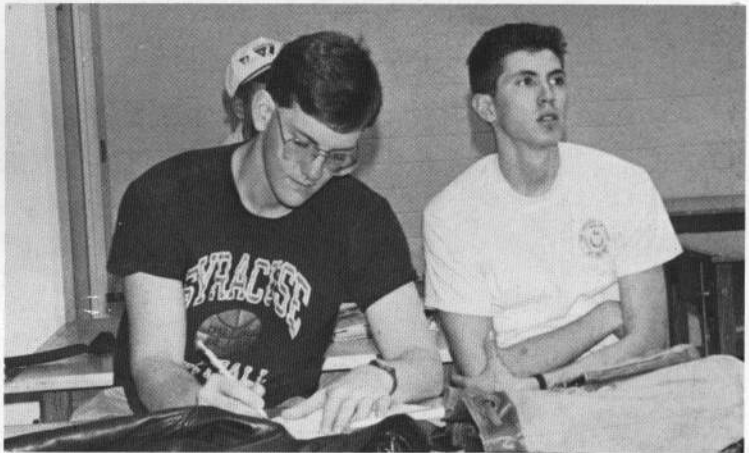

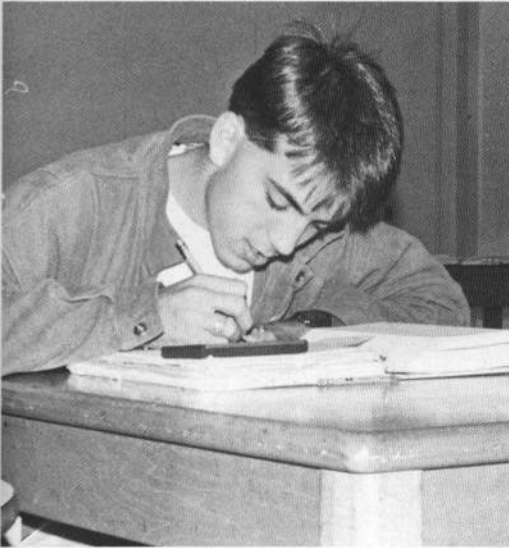

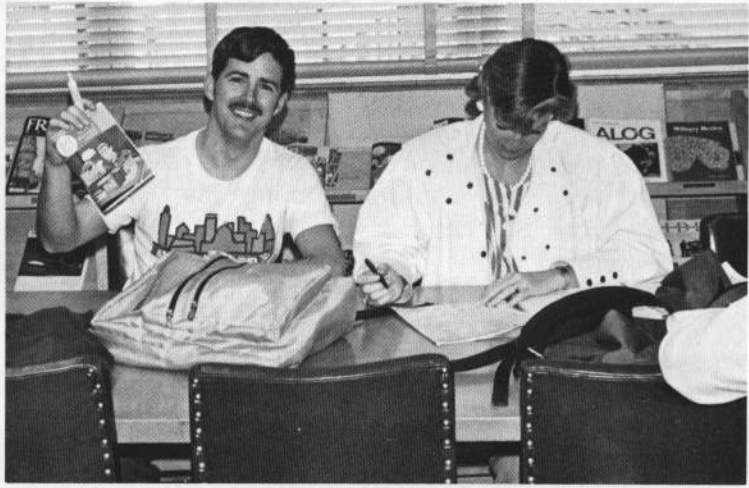

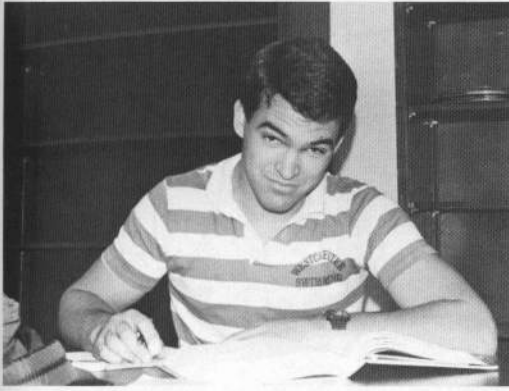

Each year, midshipmen must deal with the threat of academic boards of review hanging over their heads if their Grade Point Averages are too low, but at the same time they know that if they excel in their studies and receive at least a 3.4 semester GPA, their academic achievement will be rewarded by receiving academic ribbons and, if they accomplish this for three consecutive semesters, their names will be placed on the Commanding Officer's Permanent List. The following battalion members were included onto the Permanent List this year:

OC Randall Lovell
OC Michael Martin
1/c Esther McClure
OC William Moore

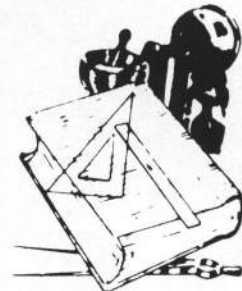

1/c Frank Seymour
OC James Stogdill
OC Joseph Thompson

Color Guard

The Color Guard continues to play an active role in and away from the battalion. During the Fall semester, under 3/c Nicolas Morales, the Color Guard performed at the Cedar Park Parade, the Mexican-American Memorial, a Navy League dinner, and at the Veteran's Parade. In the Spring, commanded by 1/c Dan Strub, they presented the colors at the Travis County Rodeo and marched in the Seton Hospital Parade.

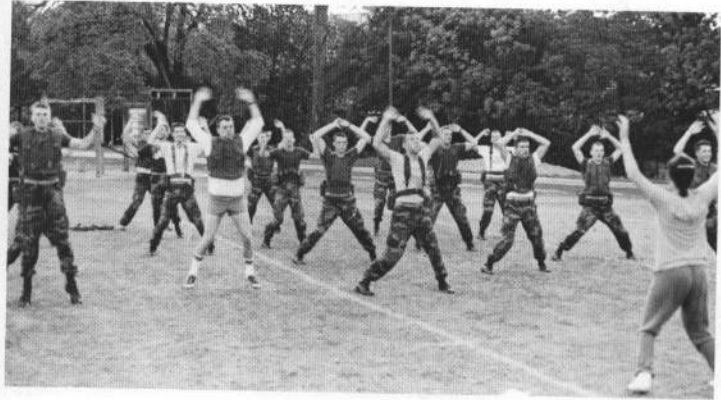

The Color Guard also presented the colors, both semesters, at a variety of football and basketball games, including the NCAA Women's Basketball Championship game.

MUFFERS

The MUFFERS (Marines United for Fun, Entertainment and Recreation) are a very noticeable part of the battalion. Composed of Marine Option midshipmen and MECEP's, the MUFFERS are known for their morning PT, beer pours, field exercises, Marine Corps birthday and Marine Corps Ball celebrations, and pre-OCS weekend. This year, the MUFFERS also sponsored a Navy JROTC Military Skills Meet.

Praetorian Guard

The Praetorian Guard, the only multi-service ROTC organization at UT, had a strong year in the 1986/87 school year. Dedicated to community service, PG aims to improve its midshipmen and cadets by giving them leadership experience.

PG was very active this year, hosting its first annual drill meet and providing S.U.R.E. escorts. The drill meet was a success, bringing teams from across the country to compete.

Crow's Nest

The Crow's Nest was founded in 1949 as a cooperative for members of the Naval ROTC. While providing inexpensive housing, the Nest provides an environment where camaraderie and personal growth are stressed.

This year, at 4612 Caswell, a small group of Loyal Nesters continued the high ideals forged from almost forty years of tradition.

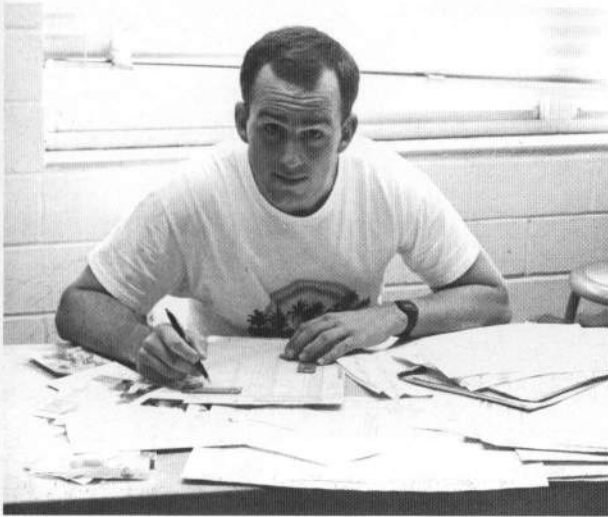

The Crow's Nest throws a number of parties each year. The Halloween party, shown here, is one of the most popular. **Above:** The party starts out with dancing indoors. **Left:** As the crowds increase, revelers move outdoors.

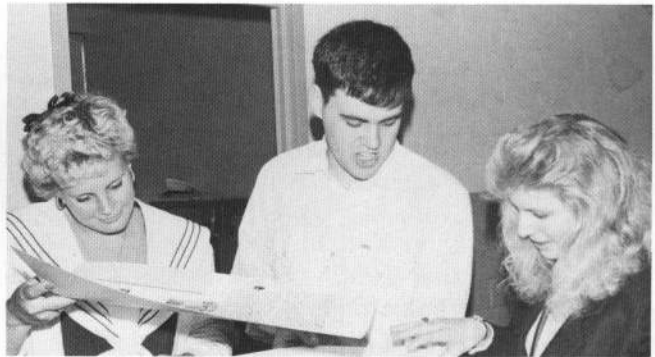

Publications

Each semester, the Publications department produces three issues of the Naval Orange, a mid-shipmen publication containing news items, announcements, special articles, cartoons, and feature stories. The Naval Orange is the product

of the Publications Officer and his assistant. In the Fall these were 1/c Ray Cox and OC Rich Bowen and in the Spring the billets belonged to 1/c Craig Anthony and OC Les Condit. The Longhorn Log, the battalion annual, is an attempt to capture an entire year in the lives of the members of UT NROTC. Taking on this task this year was Longhorn Log Officer 2/c Blair England, with help from Fall Assistant Log 3/c Todd Ring.

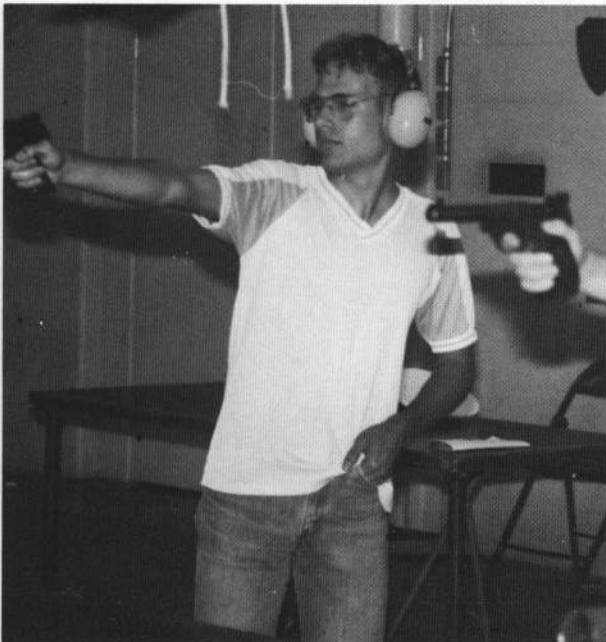

Log Editor 2/c Blair England.

Pistol Team

This year, The University of Texas Pistol Team had a variety of ups and downs. However, with 15 members, both in and out of the battalion, they were able to participate in four matches: two at A&M, one at UT Arlington, and one mail in match with Oregon State. The Pistol Team is on the move and headed for a very promising 1988.

Naval ROTC Drill Platoon

The 1986/87 Naval ROTC (Buccaneer) Drill Platoon began the Fall semester composed of mostly 4/c midshipmen. This was the first year that the team was composed of only NROTC members, as it had previously been a tri-service organization. Under the leadership of 2/c Eric Gifford, the Bucs practiced every Tuesday and Thursday from 0700-0800. As the Spring semester began and competition neared, the Bucs increased their practices to five hours a week.

The Bucs first competition was at the Tulane Scabbard and Drill Meet in New Orleans, LA, where they received a 2nd place trophy in the precision drill phase. Before leaving the Mardi Gras festivities, they marched in the Endymion Parade and participated in the celebration.

Their second drill meet was at Texas A&M, where the Bucs took 3rd place in the basic drill phase. They concluded the season at home in the Praetorian Guard Scabbard and Drill Meet, where they took 2nd place in inspection and basic drill, 1st place in precision drill, and 2nd place overall.

Anchoresses

The Anchoresses are the unsung heroes of the battalion. They are the spirit group and main supporters of the members of UT NROTC. Be it at PRTs, Field Meets, or Jim's Haircuts games, the Anchoresses are always present, giving support and cheering on the battalion. With their cookie calls and as the motivating force behind TGIFs, they constantly succeed in boosting our morale and helping us make it through the toughest of times.

Anchorette Dining Out

The Anchorette Spring Dining Out was 4 April and was held at the Embassy Suites Hotel. This was a memorable occasion as it was the last dining out with LT Ritzert as the Anchorette sponsor. In appreciation for all his support, the Anchorettes presented him with a plaque expressing their gratitude.

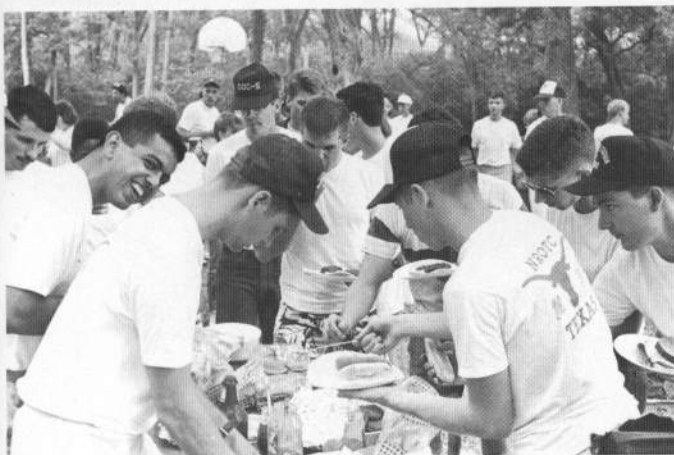

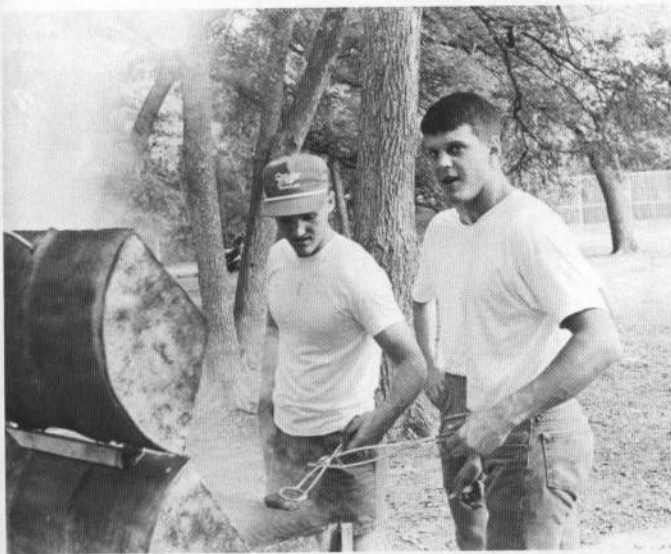

The evening's activities included dinner and dancing and a good time was had by all.

Picnics

Picnics are always very popular around UT NROTC. The Fall Picnic, held at Eastwoods Park following the Fall Field Meet, provided hamburgers, hot dogs, and fun for all.

TGIF

Thank God It's Friday has always been a popular phrase around UT NROTC, because it means that it's time to party.

1 September 1986 saw an increase in the Texas drinking age to 21, but that didn't stop the crowds for our TGIFs, which were held at Pease Park, or our pizza parties at Mr. Gatti's. Plenty of beer and soft drinks were always provided and everyone had a good time.

Fall Dining Out

Fall Dining Out was held Friday, 21 November at the Wyndham Southpark Hotel. Traditionally a very formal occasion, fines were levied for various violations of the mess. President of the Mess was 1/c Jack Theis and Mr. Vice was OC Rich Bowen. The evening was full of surprises, including a visit by 1/c Todd Kelly's bachelor party and an unusual visitor for OC Scott Maple's birthday.

Spring Dining Out

The Spring Dining Out and Ring Ceremony was held at the Hyatt Regency Hotel on Saturday, 25 April.

The evening began with cocktails on the outdoor patio overlooking Town Lake, then moved upstairs for dinner. Following dinner, CAPT Vietti read the Senior Wills. As each was read, the senior and his date proceeded to the ceremonial table, where the senior dipped his ring in a bowl of water, representing the seven seas, and tied it around his date's neck. After the ceremony, the tables were cleared away and the dancing began.

Battalion Commander's Inspection

The first big event towards platoon competition each semester is the Battalion Commander's Inspection.

The Fall Battalion Commander's Inspection was conducted by 1/c Jack Theis on 28 October with Bravo-3, under 1/c Steven Vanderhijde, taking the honors.

The Spring Inspection, held by 1/c Chris Scherer, was on 10 March and first place was taken by Alpha-3, commanded by 1/c John Gillum.

Commanding Officer's Inspection

The Commanding Officer has the opportunity each semester to inspect the battalion.

The Fall Commanding Officer's Inspection, our first by Colonel Smith, was held on 2 December with 1/c Steven Vanderhijde's Bravo-3 taking first place.

The Colonel's Spring inspection was on 7 April and was won by Charlie-2, commanded by 1/c Sergio Posadas.

Drill Competition

Each semester, platoons practice each week during Drill and extra drills in preparation for Drill Competition.

Fall Drill Competition was on 25 November with 1/c Steven Vanderhijde and Bravo-3 taking first place.

First place for the Spring Drill Competition, held on 14 April, was taken by Bravo-1, commanded by 1/c Todd Kelly.

Navy and Marine Corps Birthdays

In 1986, the Navy and Marine Corps each celebrated their 211th birthdays, filling each battalion member with pride in the Naval Service.

The Navy birthday was celebrated on 9 October with special guest RADM Jack H. Darby, USN and Colonel Smith conducting the ceremony. The traditional first pieces of cake went to the youngest and oldest Navy battalion members, 4/c James Anantha and OC Norberto Jimenez.

The Marine Corps birthday, held in Garrison Hall on 6 November, featured a narration and slide-show on the history of the Marine corps presented by the MUFFERS. Commandant P.X. Kelley's video birthday message was also shown. The youngest and oldest MUFFERS, 4/c Glen Butler and 1/c Gary Walton, received the first two pieces of cake. The UT Marines concluded their birthday celebration by attending the Marine Corps Ball on 8 November at the Wyndham North Hotel.

Pass-In-Review

Each Spring, the three ROTC units at UT end the year with the Presidential Pass-in-Review.

Inspecting the troops this year was President of the University of Texas William H. Cunningham. Many other invited guests also attended the ceremony. Battalion Executive Officer William Moore received the United States Navy League Sword Award. The tri-service regiment, led this year by the Air Force Cadet Commander, marched to music provided by the Second Armored Division Band from Ft. Hood.

Aviation Field Trip

A group of approximately 30 hopeful future Navy and Marine Corps Aviators spent four days over Spring Break at NAS Pensacola, Florida getting an indoctrination into Flight School.

Due to a six hour delay at Bergstrom A.F.B., the group, led by LT Ritzert and 1/c Bill Miller, arrived late in Pensacola. Due to this, the O-Course and Cross Country Course, scheduled for the next morning, were cancelled, to the dismay of all.

The Midshipmen did get the opportunity to go

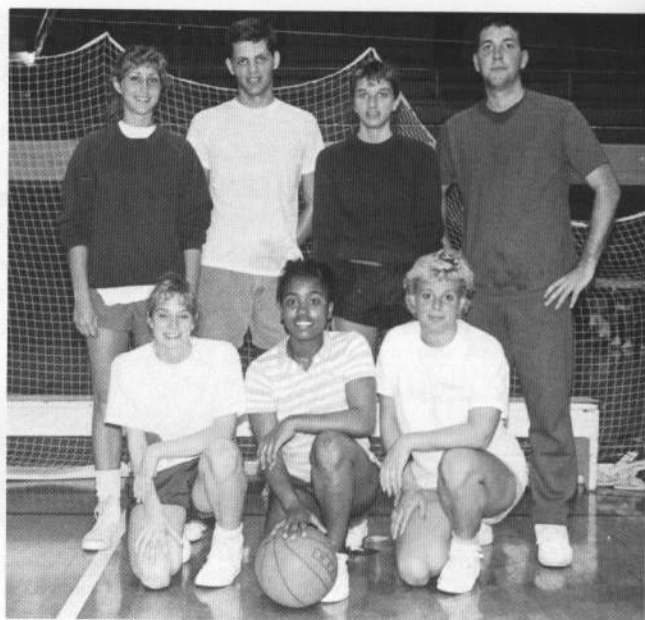

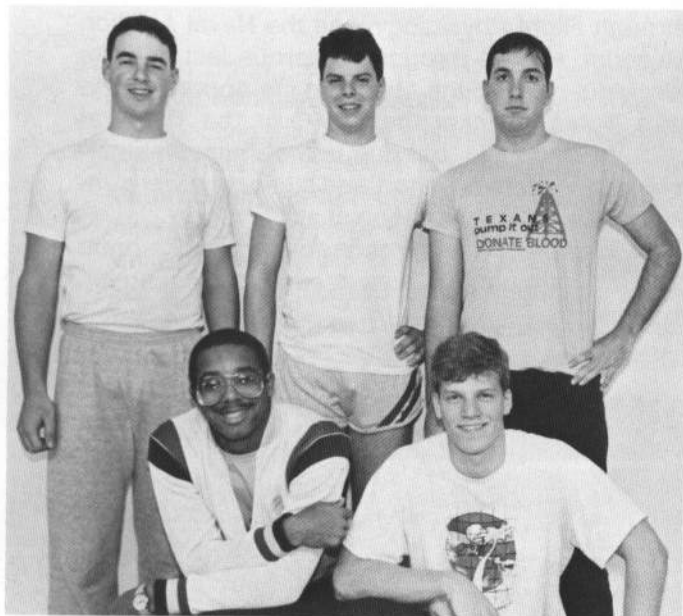

through Flight Physiology, see the Naval Aviation Museum, and sit through numerous lectures. As for flying, most of the Mids had the opportunity to take flights in either the T-34C or the TH-57 at NAS Whiting Field, but due to inclement weather, a few rides were cut short and a very few were unfortunately unable to get up at all.

All in all, those who made the trip had a great time and thought it was a wonderful learning experience.

Fall PFT

Always an exciting event, the Fall Physical Fitness Test brought a bright-eyed and bushy-tailed battalion out on the morning of 18 October.

The morning started at Clark Field with the sit-ups, the pull-ups for the men, and the flex-arm hang for the women. The run was held on the one-mile track at Camp Mabry.

SGT Jeff Schwager and 2/c Joe Eason both earned a perfect 300 points on the PFT by doing 20 pull-ups, 80 sit-ups in 2 minutes, and better than an 18 minute 3-mile run.

Top: Bravo Company prepares to start their run. **Center Left:** SSGT Mark Witzel and 1/c Steve Vanderhijde warm-up by pushing a few bleachers around. **Above:** 1/c Keith Taylor holds as 1/c Frank Seymour pumps them out. **Far Left:** Fall Athletics Officer 1/c Gary Walton plays with his megaphone. **Left:** 4/c Cindy Crouch "stays on top of it" during the flex-arm hang.

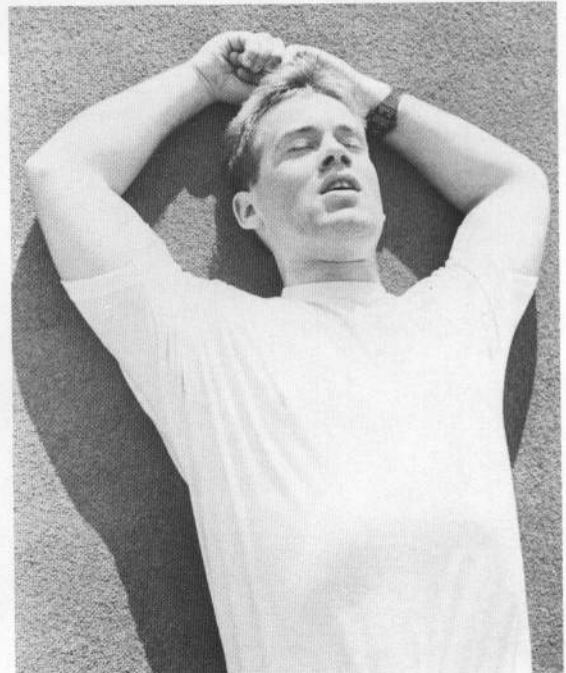

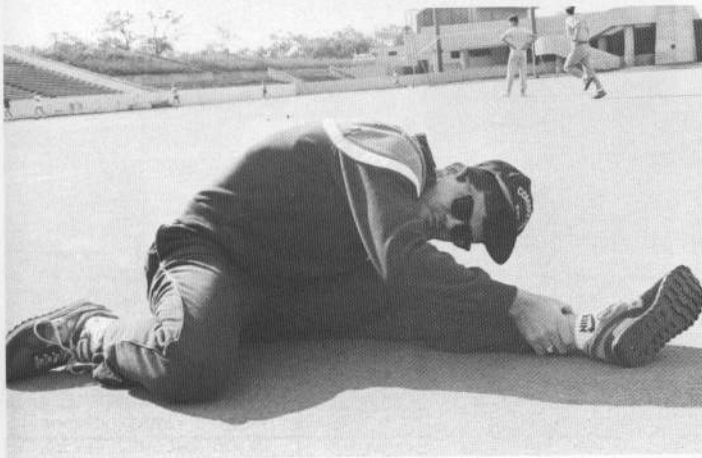

Spring PRT

Spring semester saw the implementation of the Navy Physical Readiness Test, which scores not only with respect to performance, but also age.

This semester, held in Memorial Stadium, the PRT consisted of push-ups, a different style of sit-ups, a shorter than usual run, and a sitting toe-touch test.

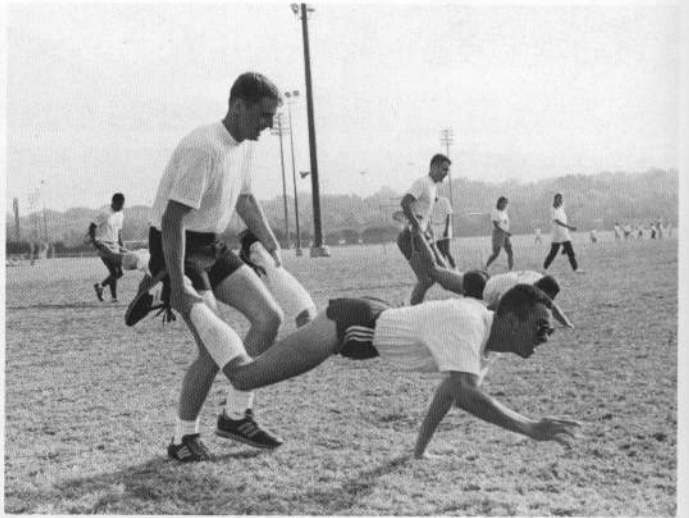

SGT Jeff Schwager and 3/c Mike Wagoner proved that this new test couldn't phase them by both totaling the 300 point maximum. This is accomplished by doing 67 push-ups and 100 sit-ups, both in 2 minutes, completing a one and half mile run in under 8 minutes and 10 seconds, and passing the toe-touch.

Fall Field Meet

The Fall Field Meet, previously held during Thursday Lab, became an all day event this semester. Held at the Intramural Fields on Saturday, 1 November, the revamped Field Meet included all the old favorites, like the Tug-of-War and the Dizzy-Izzy, but now also included football, softball, and volleyball competitions, among others.

Joint Service Field Meet

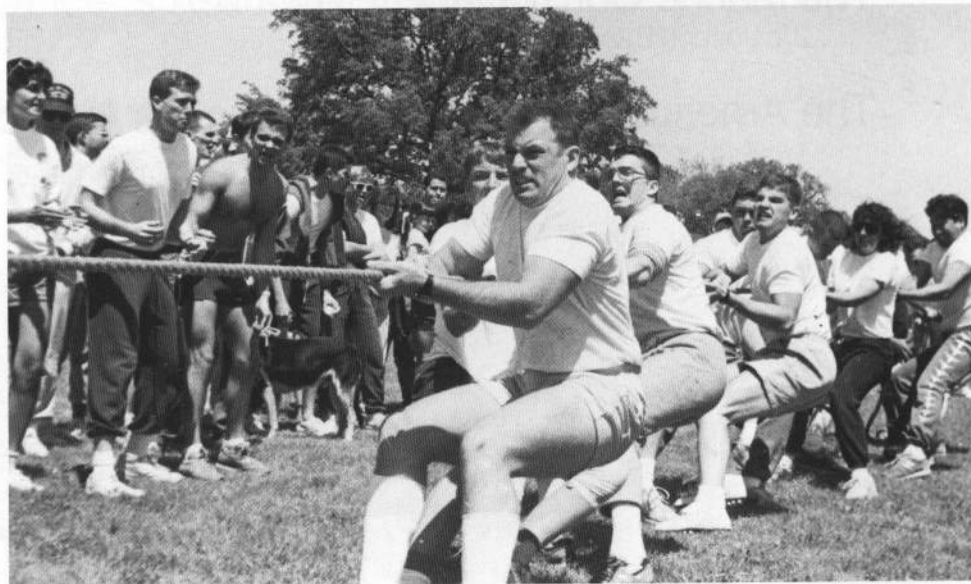

The Spring Field Meet was the start of a tradition as the first annual Joint Service Field Meet was held. Taking place at Camp Mabry on 4 April, competition was fierce as UT Navy fought hard and defeated their Army and Air Force competitors.

A picnic was held afterwards at which the Air Force Commanding Officer presented Colonel Smith with a victory trophy and the Anchorette pledges performed a skit for tri-service onlookers.

WHY 9 OUT OF 10 ACTIVE DUTY OFFICERS INSURE WITH USAA.

• **AN ELITE GROUP.** As a military officer you're eligible to join an elite group of more than 1-million active duty, Reserve, National Guard, retired, and former officers who enjoy the preferential insurance protection, service, and savings afforded by USAA.

• **INSURANCE FOR YOUR CAR, YOUR HOME, ALL YOUR BELONGINGS—WORLDWIDE.** USAA writes a full line of personal insurance policies that provide protection nationwide—and in some cases worldwide.

• **GOING OVERSEAS?** We provide auto, personal liability, and personal property insurance in almost every country where U.S. military personnel are stationed. Our claims service is worldwide. And so is our convenient no-interest extended payment plan option.

• **INSURANCE AT REASONABLE COST.** Our auto rates are lower than those of most other

insurers. You can also save money on your homeowners insurance. Find out how much by calling the number below.

• **FINANCIALLY STRONG, HIGHLY RATED.** USAA's assets exceed \$1-billion; it is the sixth largest auto insurer in the nation. A.M. Best, the leading insurance rating firm, gives USAA its highest rating. Our members rate us highly, too—99% continue their insurance with USAA year after year.

• **PERSONAL INSURANCE SERVICE.** USAA's convenient toll-free telephone service puts you in immediate contact with a USAA representative from anywhere in the continental U.S., whether you need insurance, a policy change, or USAA's renowned claims service.

Find out for yourself about USAA. Call for insurance protection, service, and savings today.

Officers may establish membership in USAA by taking out a policy while on active duty, while members of the Reserve or National Guard, or when a retired officer (with or without retirement pay). Cadets of U.S. military academies are also eligible. OCS/OTS, Advanced ROTC, and basic scholarship ROTC students may also apply, as well as former officers.
