The Young Americans Club

For about the cost of a service charge, members receive an unmatched package of preferred customer services—plus an exciting travel, entertainment, protection and educational program.

At \$3.00 a month dues, the Young Americans Club is a tremendous dollars and cents value. Your association with other members will be a continuing business and social asset.

Many benefits are listed below. It all starts by opening a Young Americans checking account at The American National Bank of Austin.

Young Americans Preferred Checking Account:

Uniquely designed checks identify you as a preferred customer at The American National Bank. Your checks are free and fully personalized. Your dues cover monthly service charges so long as you use no more than 30 checks a month (10¢ per check over 30).

Young Americans Entertainment Exclusives:

The best in shows, musicals, restaurants, movies, special features, and sports events, are arranged for Young Americans at dollar-stretching group rates.

Young Americans Budget Travel Club:

Travel events, ranging from weekend excursions to full vacations, will be arranged at low group rates you'll find hard to pass up! Group travel rates bring extravagant dream trips down to earth, cost-wise. How about Colorado for skiing? Or a long Acapulco weekend?

Young Americans \$10,000 Insurance Coverage:

When you join the Club, you will be insured for \$10,000 against accidental death. No examination, no investigation, no red tape. The cost of this protection is included in your Club dues.

Young Americans Club Newsletter:

We'll keep you up to date on what's happening in and around Austin entertainment-wise in our special newsletter that only members receive. We'll cover the obvious and the obscure—art shows, recitals, plays, sports events, and things for family fun.

Young Americans Fast-Action Bankers:

One of the biggest advantages of being a Club member is the opportunity to deal with young business men and women who understand your needs and talk your language. The bankers are fellow club members who are on your side, looking out for your best interests all the time.

If your fun's insufficient... All these things and more are available to you now, as a member of the Young Americans Club. Membership is open to all residents of the greater Austin area who are of good character and between the ages of 21 and 35. Dues are \$3.00 per month.

Visit Young Americans Club headquarters on the first floor of the American National Bank building. It's your kind of club decor. Come in and talk, or, call 477-6128 and we'll mail you an application.
