IN DEDICATION TO
Capt. R. A. Hilson
For 34 Years Of Meritorious Service
In The United States Navy

Captain Ralph Albert Hilson has had a full and rewarding career during his 30+ years in the Navy. After two years as a seaman he received an appointment to the Naval Academy. Since that time, he has put in over 20 years at sea and, excluding his tours at various Navy colleges, he has held only one billet that was not that of executive or commanding officer. He has nineteen decorations, among these being the Bronze Star, the Combat Action Ribbon and three Legion of Merit medals.

Captain Hilson will end his Naval career with his billet here at the University of Texas NROTC Unit. The Navy will feel his absence.

IN DEDICATION TO

LT. COL. JUPP

The career of LtCol Walter A. Jupp is one of great accomplishment and success. After serving in the Air Force for four years as an airman, he returned to college where he joined the NAVCAD program. On completion of this program, he embarked upon a career that would take him all over the world and through many billets. LtCol Jupp's last tour of duty was as executive officer here at the University of Texas NROTC Unit. He retired on 1 February 1974 after over 23 years service in the Armed Forces.

LtCol. Walter Aubrey Jupp

CDR. RUMELHART

Commander M. R. Rummelhart, our new Executive Officer, is an aviator who has logged more than 5000 hours flying time during his 20+ years in the Navy. He began his career after graduating as an education major from Gonzaga University in Spokane, Washington. He entered as a Naval Aviation Candidate. Since receiving his wings, he has been stationed in Japan, Viet Nam, the Middle East, the Persian Gulf, and Iceland as well as in various billets throughout the United States. We welcome him to the Navy ROTC Unit of the University of Texas.
