Inside this building, the Young Americans Club has a super deal for you.

The "deal" is membership in American Bank's Young Americans Club (YAC). It's for people in Austin 18-35 and costs just three dollars a month. For that you get:

1. No-service-charge checking and free personalized checks.

2. Entertainment discounts — which can more than save you the membership fee each month.

3. Discounts at participating merchants — and lots participate, like clothing stores and restaurants.

4. Preferred interest rates on loans.

5. Special events, like parties, semi-

nars and sports tournaments.

6. Opportunities for travel at reduced rates — skiing trips, for example.

7. \$10,000 Accidental Death Insurance.

8. Free traveler's checks.

9. The YAC Newsletter.

All told, it's a banking bargain, especially for people like you. See the friendly bankers at YAC headquarters in the American Bank Building and get all the details. You'll like what you hear.

"It's more than just a job... it's a way of life!"

It all begins with a simple swearing-in ceremony. Not knowing what is in store for each causes a few butterflies to form. The words begin to go by:

...that I will support and defend the Constitution of the United States against all enemies, foreign or domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I ... about to enter, So help me God.

This ceremony marks the beginning of the beginning.

The years following this ceremony mold each midshipman into a general form which approaches that of a young naval or marine officer. There are social events, athletic events, at-sea training cruises and the ever present educational process, which takes its toll; all of these comprise the majority of each midshipman's time. It is these facets of your college life which is portrayed in this issue of your Longhorn Log.

Then comes THE DAY. Two ceremonies take place this time, neither of which is as simple or informal as the original ceremony. Again, the words begin to go by:

"I, _____, having been Permanently appointed an Ensign, USN, to rank from the 5th day of June 1975 do accept such appointment and do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign or domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the Office on which I am about to enter, So help me God."

This day marks the end of the beginning and the beginning of your military career.
