Notes:

This page does not accurately

reflect

who all came to the reunion because

it doesn't include the Battalion and

Staff members of the Unit. Nor does

it include the many walkons we get

each year who do not register. This

latter group makes it hard to plan

activities if it gets too large. This

year about half of the Class of '68

did not register but came to the

how the Marine attendance compared to the Navy attendance.

social gathering on Friday night. Fortunately Bob Collins knew about it and warned us. But beyond the inaccurate numbers for planning we need to keep our database with your contact information as current as possible. Reunion Registration is one way we do this. Please register each year, even if it's only to update your contact information or just to make a donation. We want to hear from you.
