

**Coach-Sulting Solutions Along the Business Life-Cycle:**  
***Have you peaked on the business life cycle***  
***– and need to rejuvenate your business?***

- 80% of new businesses fail in their first year! Be certain to start your business on the right foundation for success.
- Learn powerful tools to plan and succeed at each business stage.
- Work with an expert who has the experience, tools and resources you need to succeed across the business life-cycle.
- Work with a trusted-advisor who is service-oriented, works as a partner, and keeps you accountable.
