

The Candy Cane's Purpose

The Candy Cane harkens of so much more,
Than merely a treat from Christmases yore.
The crook of a shepherd reminds us of Him,
Our ultimate guide, protector, and friend.

The "J" is for Jesus, the One we adore,
And endeavor to follow as Savior and Lord.
Red stripes like His blood on Calvary's Tree,
Grace that flowed down for you and for me.

White for my Savior, so sinless and pure,
The way of salvation and sin's final cure.
Refreshingly like the forgiveness I've found.
Sweet reminder that Love from heaven came down.
