

New to the Bible? Not sure where to begin?

We can help!

While the Bible is a beautiful and cohesive story, it is not organized in a liner, novel-like story as one might expect. The Bible is one book made up of 66 smaller books, which are organized according to genre rather than chronologically. This arrangement can be confusing if you aren't familiar with it. A few tips can also greatly aid in your understanding. We recommend downloading the **Starting Scripture Bible Reading Plan** and other free resources from [OneTenMinistries.com/resources](https://www.onetenthministries.com/resources) to help.

**Psalms and Proverbs are great to read each day along with the plan below.**

**YOU DID IT!!**

*(And we are SO proud of you!)*

You just completed **634** Chapters of Scripture reading,  
plus Psalms (150) and Proverbs (31)!

**Way to grow!**

---

## CONGRATULATIONS!

You have now read through major sections of Scripture and should have a good (albeit incomplete) view of the Bible. We trust that God met you on the pages of His inspired Word and revealed Himself in ways you will never forget. He is so good, kind, loving, holy, merciful, faithful, and just.

We believe all Scripture is important and all Scripture is essential for Christians to read and study. So, now that you have read through big sections of the Bible according to this plan, we recommend you next read through the entire Bible chronologically, in the order in which it occurred. Chronological reading plans and Bibles organized chronologically are readily available through an internet search or wherever Bibles are sold. Since you now have a sense of the key themes and people recorded in Scripture, it will make much more sense when you next read through the entire Bible either chronologically or as it is traditionally organized. You will also find a plethora of reading plans online for reading the Bible through in a year.

How ever you choose to proceed, we know God Himself will meet you on the pages and bless you for wanting to learn more. Each time you read you will discover more truth and God will reveal new things to you about Himself, **History**, and His love for you.
