

HAVE YOU BEEN **WOUNDED**?

DO **REGRETS** WEIGH YOU DOWN?

DOES **BITTERNESS** HAVE YOU IN
BONDAGE?

YOU REALLY CAN BE **FREE!**

The **Finally Free Forgiveness Retreat** is a different kind of retreat. This Bible-based, distinctly Christian retreat experience is specifically designed for Christian women.

You will be guided along as you meet privately with the Lord to work through a process of healing, using Scripture and prayer.

This work is deeply personal and private, just between you and God. There is no group discussion time, and you will not be asked or expected to share anything with the group. This is a time for building your relationship with God not necessarily with one another.

While this is individual work, you are not alone. The facilitator is available if you need to talk or would like someone to pray with you or for you, but that is purely optional.
