

What's Happening at Terrace Glen Village

Staff Mentor Spotlight

What is a mentor at TGV? A mentor is a staff member who is dependable, reliable, and is a shining example of the employees we want caring for the residents of our community. As a mentor, this staff member helps onboard and train incoming staff to learn the Terrace Glen Village way while also helping them feel welcomed in their new position within our community.

We want to take the time to honor our Restorative CNA Mentor, Roxie Hewitt-Smith, who has been serving our residents at Terrace Glen Village for two years. Roxie is a staff member who receives many family shout outs for the care she provides and proves to be a great person to work alongside her fellow coworkers in our health center.

Roxie has been a CNA for over 27 years in senior living! She really enjoys caring for others especially when it comes to their exercise programs. She said it is very rewarding to watch the residents succeed and meet their goals. She enjoys her role as a mentor at Terrace Glen Village because she likes the ability to train the staff to care for our residents with compassion and to share the ins & outs of what it takes to be a CNA at our community.

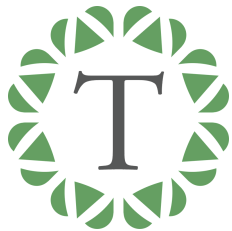

Outside of work, Roxie stays busy with her family and old puppies as family is incredibly important to her. She has been married to her husband, Kenyatta, for 5 years and they have 4 children & 3 grandkids they love to spoil. Her old puppies are just as much part of the family, Rico and Legend! Every Sunday she enjoys hosting family dinners with her husband, kids, grandkids, parents and her siblings as it bring everyone together.

Do It Yourself Pumpkin Craft

Our residents used old sweaters, filler, thread, needles & cinnamon sticks to make the perfect addition to their front porches! Look at all these cute pumpkins they made! They even impressed themselves with their crafty skills!

NOVEMBER 2023

Trick or Treat w/ TGV

We had ourselves a spooktacular time at our event with all our favorite ghosts & goblins! We loved seeing all the kiddos, the residents && our staff dressed up for Halloween!

We enjoyed a Trick, Trunk or Treat, Costume Contest, Pumpkin Golf, Ghost Toss, Witch Which Pond, Eyeball Pong, Candy Corn Guessing Game, Photo Booth, Delicious Soup, and Hot Cocoa.

Waitlist
