

What's Happening at Terrace Glen Village

2025 Bronze Award Recipients!

We're thrilled to share that Terrace Glen Village has been recognized as a 2025 Bronze National Quality Award recipient by the American Health Care Association and National Center for Assisted Living!

This award isn't just a plaque on the wall—it's a reflection of the compassionate care, dedicated team, and quality-focused culture that make Terrace Glen Village a truly special place to call home. It recognizes our ongoing commitment to providing exceptional service to residents every single day.

We know choosing a senior living community is a big decision. We hope this award helps make it an easier one. Now is a great time to move in and become part of a community that's being recognized for doing things right—right now. If you've been considering making the move, we'd love to show you around, introduce you to our team, and talk about how Terrace Glen Village could be the perfect fit for you or your loved one.

We're so proud of this recognition and our incredible staff who are here impacting the lives of our residents each and every day.

Merry Christmas in July
