Facial Balancing The Art of Natural Perfection

Your face isn't one feature—it's a masterpiece.

That's why **Barbara** is helping clients discover their most confident, harmonious selves with Sejour's **Facial Balancing** treatments.

Instead of quick fixes, facial balancing focuses on the *full picture* — enhancing contours, restoring volume, and creating symmetry across your entire face.

This is refinement, not reinvention. Every treatment is customized to you using a blend of Botox, fillers, threads, and Sculptra — all strategically designed to highlight your natural beauty.

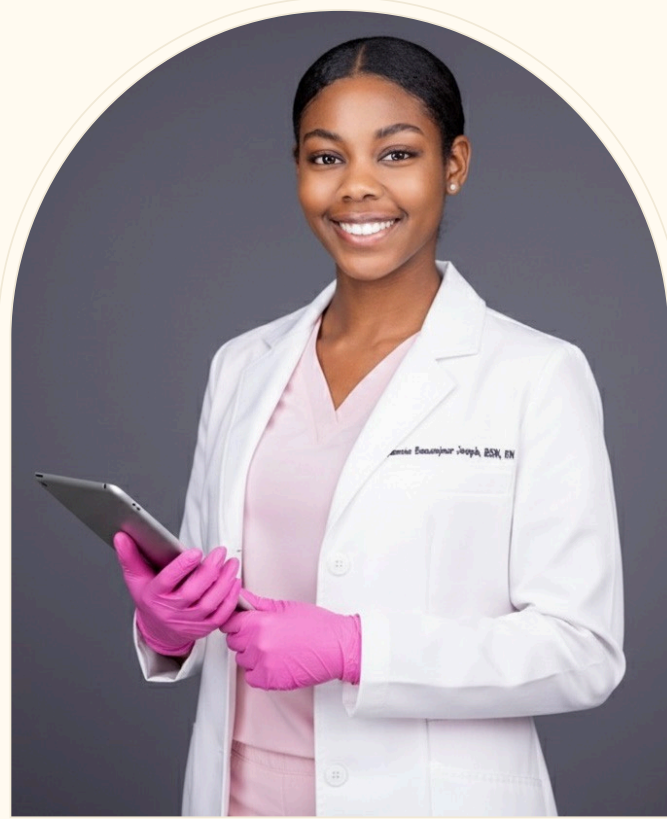

This holiday season, skip the filters. Balance your features, boost your confidence, and book your consultation with Barbara today.

Introducing Yasmine Beausejour-Joseph, RN, BSN

Sejour's New Wellness Coordinator

Sejour Body Bar & Med Spa is pleased to welcome **Yasmine Beausejour-Joseph, RN, BSN**, to our growing team of wellness professionals.

With an extensive background in **critical care nursing, IV hydration therapy, vitamin infusion**, and **Food Inflammation Testing**, Yasmine brings a rare blend of medical precision and personalized attention to our clients. Her clinical expertise deepens Sejour's commitment to whole-body wellness and results-driven care.

In her role as **Wellness Coordinator**, Yasmine will lead our expanding suite of internal wellness services—designed to restore balance, optimize vitality, and complement our advanced aesthetic treatments. From IV therapy to inflammation testing, every session is tailored with the same meticulous attention

to privacy, safety, and measurable results that define the Sejour experience.

This addition marks the next chapter in Sejour's evolution: a fully integrated destination for health, beauty, and rejuvenation.

What Makes it Special

Unlike typical Vitamin C formulas Sejour's C+ Complex combines scientific precision with luxurious texture, offering visible results without irritation. The lightweight serum absorbs quickly, making it ideal for all skin types — even sensitive ones.

Clinical studies show a 32% reduction in wrinkle depth and visible brightening in just a few weeks of use. The result? A smoother, firmer, and more radiant complexion that feels as good as it looks.

With Debbie's expert insight and Sejour's dedication to innovation, the C+ Complex marks a new era in Vitamin C skincare

This is more than a serum — it is a statement of confidence, wellness, and timeless beauty.

"This has been my ultimate skin secret for keeping my skin radiant and youthful through the years," Debbie shares. "Now, I'm confident in sharing it with the world because I know it truly works wonders."

Results You Can See
