Bienvenidos to Cactus Rose Café.

For over 60 years, our family has been dedicated to maintaining a tradition of serving authentic Mexican food.

We at Cactus Rose Café hope to serve you in a manner that is consistent with the hospitality of old Mexico with family recipes that have been handed down from generation to generation. In keeping with the traditional recipes of old Mexico, we use shredded beef in many of our beef items.

Everything is prepared daily in our kitchen. From the hot, crispy chips and hot sauce to the dessert at the end of your meal.

The entire Cactus Rose Café staff contributes to a culture of warmth and friendliness to our customers.

We would especially like to thank all our customers and friends for their loyalty and friendship over the years and for always following and supporting us, especially during 2020.

So, from our beginning at Pedro's Mexican Restaurant to Cactus Rose in the old Matthews Depot to our location now in Indian Trail, we at Cactus Rose say,

"Mi casa es su casa!"
