What is the organization's primary exempt purpose?
 What does it really mean to empower a woman or girl? After several expeditions to Kenya, working with women and families, we realized that empowerment to them means tools that help them get more done in their day After several expeditions trying different projects, 100 Humanitarians International settled on what we like to call The Core Four These four programs include Women Initiatives, Youth Education, Mentoring Families, and Training & Cultural Centers On each expedition, we include something from each of The Core Four to continue moving forward in the promises we are making to ourselves, our organization, and the communities we work in
