

# Old Nags Head Cove Fall Newsletter

## Sunsets & Socials

The days of Summer are winding down and the Fall sunsets are on display! Despite a little setback on opening the pool, we couldn't be happier with final result! Kids and adults were loving the new bench and conversion to saltwater. And a little reminder - the pool will be open normal hours (10am-7pm) Saturdays and Sundays through September.

Moving into the off season, the planning committee has put together a Social Events Calendar with upcoming Cove happenings for the year. You can find the calendar on our website. Events will be added and updated throughout the year.

If any homeowners have an idea and would like to host or plan an event for the neighborhood, please reach out and we can get it added to the calendar!

We're also working on putting together a "recommended vendor list", so if you have any tradespeople or vendors you have used or would recommend, please send them over and we will add them. Once complete we will share the list to our website.

Old Nags Head Cove and the Town of Nags Head encourages homeowners and visitors to participate in the Dark Skies Initiative. This program is a community-driven effort focused on reducing light pollution and seeks to preserve the natural beauty of the night sky. By encouraging residents, businesses, and visitors to minimize unnecessary artificial lighting, the initiative aims to protect wildlife, enhance public health, and ensure that future generations can enjoy the stunning view of the stars. Learn more at: <https://www.nagsheadnc.gov/1112/Dark-Skies-Bright-Stars-Initiative>

We will have pamphlets available for anyone who would like to include this information in their rental home packet, so please reach out!

Friendly reminder - the toys and balls located at the playground area and basketball court are not for dogs. We have installed a ball basket by the doggie station with dog specific toys. Please return when you're done so other dogs can enjoy!

*Thank you!*

### Important Notes:

#### Reminders:

- No parking along the sidewalks and streets.
- Bring your trashcans in after trash pickup.

Please be respectful of the properties around the boatramp and remember to lock the ramp gate.

Check out our website to view the "Sunset on the Water" live camera!

Watch your speed on the road and the water.

The speed limit within the Cove is 20 mph and the canals are a no wake zone.

Follow our Facebook page for updates on Community events and Cove news.
