## TERMS & CONDITIONS

### FEE & PAYMENTS

Group tuition sessions are £99 a month and they run from September-July. For specific dates please see Accelerate GCSE English Tuition Term Dates.

Upon signing up for the group tuition package, parents are required to pay an additional month's payment which will be held as a deposit to cover their notice period. This means that if parents decide to cancel our services, their deposit is used to cover their notice period. This is to ensure that we can continue to provide high-quality services to our students without any disruption.

1 to 1 bespoke tuition sessions are £70 an hour.

My group students get a discounted rate of £60 for 1:1 targeted tuition to address a specific area of need.

### PAYMENT

Fees must be paid in advance by the first day of the month. For example, the September fee must be paid by the 1st September.

If a tutee is starting halfway through a month, a pro rata payment will be calculated for that month.

### LATE PAYMENT

Any late payment will incur an admin fee of £10. The student will not be allowed to enter the session until the full invoice plus the late fee of £10 are paid.

## TERMS & CONDITIONS

### CANCELATTIONS

Unfortunately, we cannot refund or credit lessons for the occasional missed lessons. However, all lessons are recorded and if a student misses a lesson, they can catch up on it at their convenience.

If I need to cancel a session, I will give as much notice as possible and offer a refund or an alternative date if it is convenient for all the students.

There is no long term obligation. Contracts can be cancelled at any time but, as a courtesy, I would ask that 1 month's notice is given.

### ONLINE LESSONS

All lessons are on Zoom. All work will be set digitally.

Each student is responsible for ensuring that they are ready for the lesson: they have their zoom link ready, they have their electronic device ready and any resources printed (if they wish to have a paper copy).

### HOMEWORK

As part of the group tuition package, students will be set optional weekly homework.

In order to allow for timely feedback, all homework will be due by Sunday 10:00 a.m. of the week when the homework was set.

Unfortunately, no feedback will be given on a piece of work submitted past the deadline.

## TERMS & CONDITIONS

### OBLIGATIONS

I agree to plan lessons and supply digital resources that maximize each student's potential to reach his/her target grade.

I agree to keep students' names and images confidential (in case of wanting to use them for marketing purposes on social media). If such a need arises, students' names and screenshots/images will be blurred out or covered up.

The student agrees to fully participate in the lesson (including the use of a microphone and a webcam (unless otherwise agreed)).

The student agrees that tasks, exercises or homework form an integral part of tutoring and undertakes to complete such work.

The student agrees to provide me with an outline of the topics that his/her school will cover. This will allow me to personalise lessons to meet the needs of the student.

### PROGRESS

As an experienced educator of 20 years, I am committed to promoting excellent academic progress and helping students achieve their full potential.

Integrity and transparency are important to me. I do not make false promises. Therefore, I cannot guarantee grades as there are too many external factors that are beyond my control, e.g. illness, stress, prior attainment.

However, my track record consistently shows that my students make good progress in English. For testimonials, please see my Google business page or my Facebook page.
