Ask Ed

Whether you need to write a book, need help with digital marketing, brainstorm a webinar talk, talk to a marketing coach, Ed Garza has over 30 years of experience and his knowledge is here to help you.

Ask Leo

Leo Burnett is known for creating iconic characters for brands, including Tony the Tiger, the Jolly Green Giant, Charlie the Tuna, the Pillsbury Doughboy, and even Allstate's Mayhem.

Ask Zig

Zig Ziglar's passion was the driving force behind his influential career as a motivational speaker, author, and sales trainer. He believed that passion, when combined with integrity and purpose, could unlock one's full potential and lead to extraordinary achievements.

Ask Napoleon

Gain Insights Napoleon Hill (1883–1970) was an American self-help author, best known for writing Think and Grow Rich—one of the best-selling books of all time in the personal development genre.

Write Your Book (7 AI Tools Made with Synthetic Intelligence)

1) Book Research BookWrite AI is your all-in-one research assistant for non-fiction business authors, delivering personalized market analysis, trend insights, and legal originality checks. It also sparks fresh ideas, frameworks, and citations so you can craft unique, on-trend, and legally safe content.

2) Book Clarity Coach

Get Crystal-Clear on Your Book Topic—Before You Write a Single Word
Struggling to choose the right book idea? The Book Clarity Coach is your personal AI guide designed to help you uncover the perfect topic that reflects your genius, inspires your readers, and fuels your purpose.

3) Book 360

A Book app that digs deep for you. Your thought out input helps get better results.

4) Ghostwriter

Your personal assistant for transforming book ideas into polished manuscripts.

5) FactChecker

FactChecker lets you upload your full book manuscript in PDF to automatically identify and verify every factual claim—historical dates, statistics, scientific assertions—and delivers a clear, chapter-by-chapter report flagging errors or unverified statements with source-backed corrections. This ensures your non-fiction (or fact-based fiction) stays accurate, credible, and publication-ready.

6) Book Critic

Whether you're writing a novel, memoir, self-help book, or business guide, Book Critic gives you professional-level feedback tailored to your genre, writing goals, and draft stage.

7) Create a Book Cover

Design stunning, professional Book covers effortlessly, powered by AI! Whether you're an author, publisher, or marketer, this app allows you to create eye-catching, personalized Book covers that make your book stand out from the competition. With AI-driven design capabilities, creating the perfect cover has never been easier.
