ConnectMate

Smarter Outreach. Meaningful Connections.

What is ConnectMate?

Automate Smarter. Sell Faster.

ConnectMate is your AI-powered LinkedIn growth partner—built to help you connect with the right people, at the right time, with the right message.

Designed for business development professionals, recruiters, founders, and consultants, ConnectMate doesn't just automate outreach—it transforms it. It sends personalized messages and voice notes that feel human, not robotic. It uses advanced AI to engage with prospects in real time, reply intelligently to messages, and guide conversations toward booked calls—without you lifting a finger.

ConnectMate helps you build stronger networks, scale your outreach, and close more deals—faster than ever.

See the difference.

Traditional

- **Time-consuming** manual follow-ups leading to missed opportunities and reduced productivity.
- **Inconsistent engagement** resulting in weak prospect relationships and unpredictable sales outcomes.
- **Limited scalability** due to the manual effort required, restricting potential market reach.
- **Poor visibility** and tracking of communications, leading to lost leads and unmanaged relationships.
- **Low response rates,** due to impersonal or irregular communication.

ConnectMate

- **Efficient automation** that saves significant time and maximizes productivity.
- **Consistent, timely interactions** fostering stronger relationships and predictable business growth.
- **Effortless scalability** enabling outreach to larger audiences without additional resource strain.
- **Centralized management** and clear tracking, ensuring no opportunities slip through the cracks.
- **Higher response** rates achieved through personalized, strategically timed messages.

Make the change.

Where meaningful connections begin.

01

Ease of Integration: Seamlessly integrates with existing CRMs, marketing automation tools, and email platforms.

02

Security and Compliance: GDPR compliant, secure data handling, reliable infrastructure.

03

Robust Support & Training: Complete training resources, ongoing technical support, and dedicated customer success managers.

High Response Rates

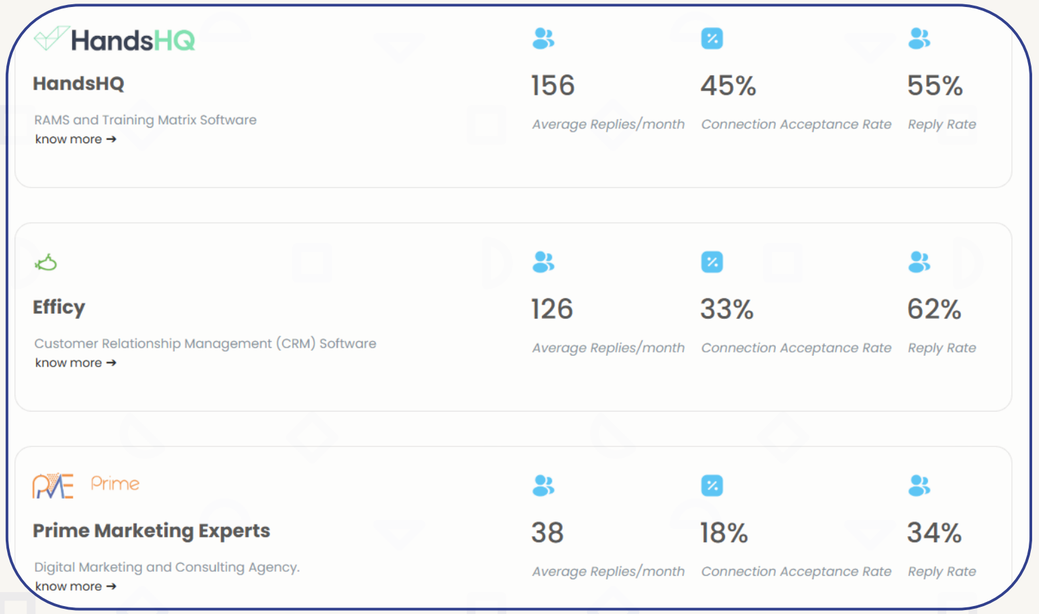
Customized automation increases response rates by making messages timely, personal, and relevant.

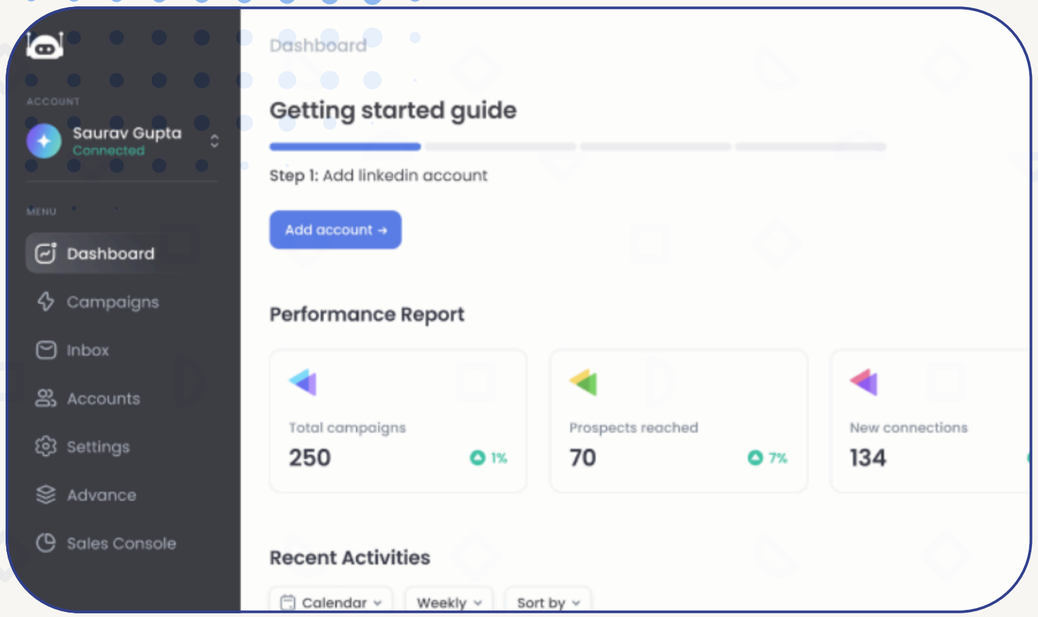
More meaningful interactions translate directly into increased conversions.

Consistent, Scalable Communication

Automate routine outreach tasks and significantly reduce manual efforts

Achieve consistency in messaging, tone, and follow-up frequency.





Time Savings & Efficiency

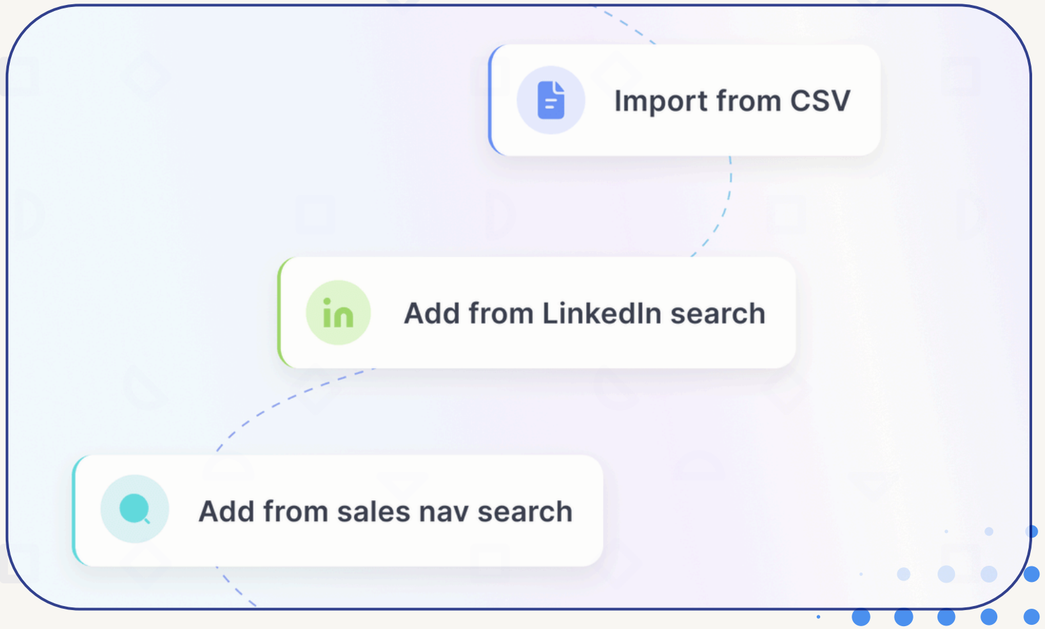
Save significant hours per sales rep each week.

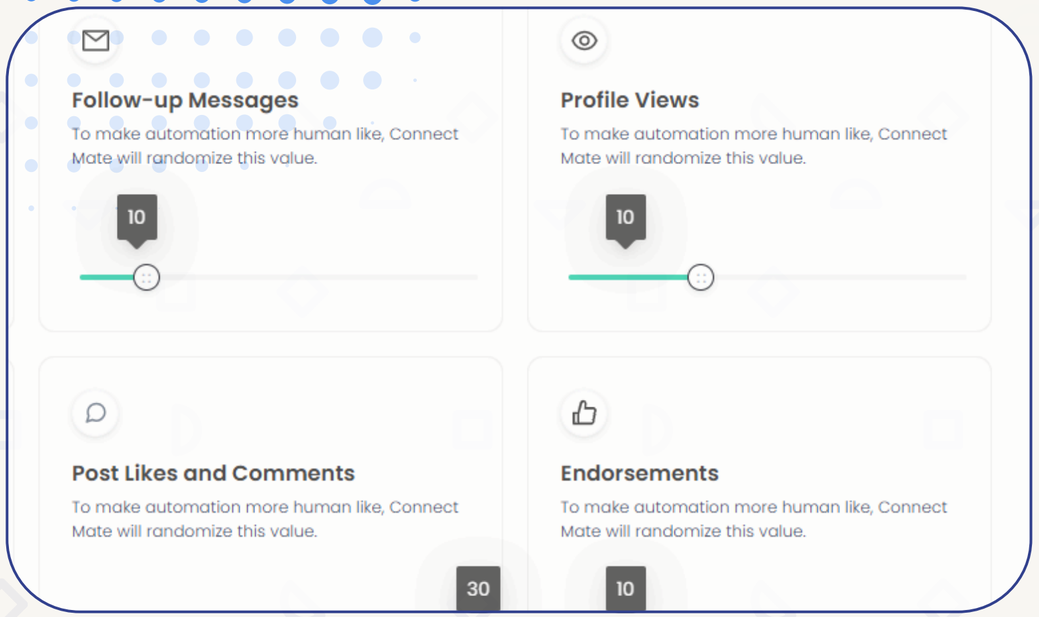
Redirect resources toward strategic initiatives and closing deals.

Enhanced Relationship Management

Build and nurture long-term professional relationships effortlessly.

Keep leads warm through timely, automated communications.





AI ASSIST

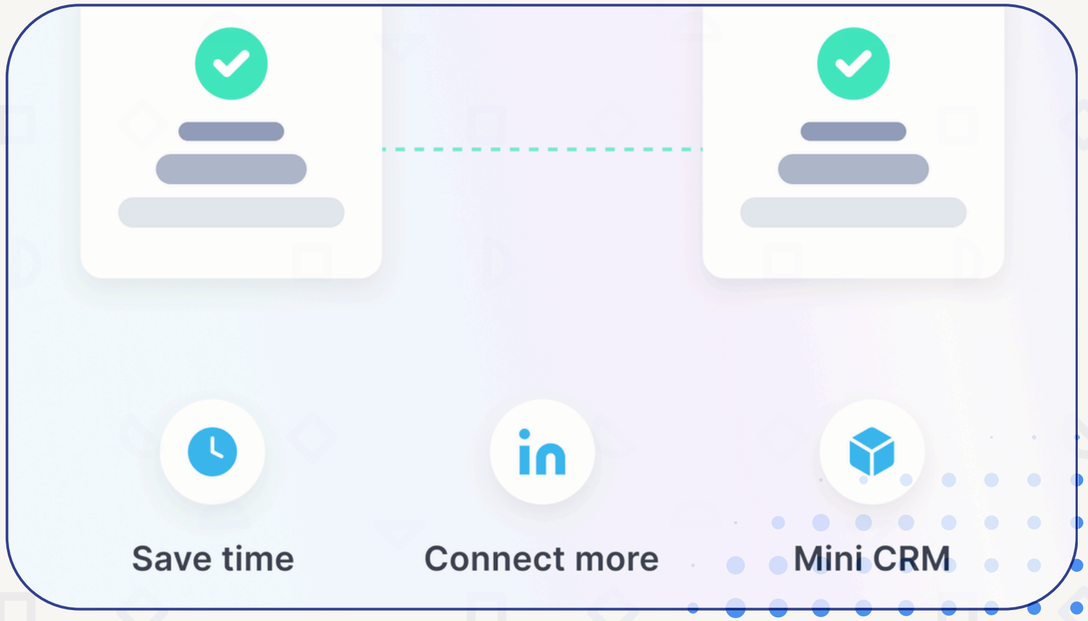
Writes a compliment in Linkedin messages/emails based on different sections of their profile.

Start much warmer conversations with prospects on Linkedin/email

Interface for the whole team

Share templates, study each other's campaigns

Easily create campaigns across multiple SDRs



Overview Panel

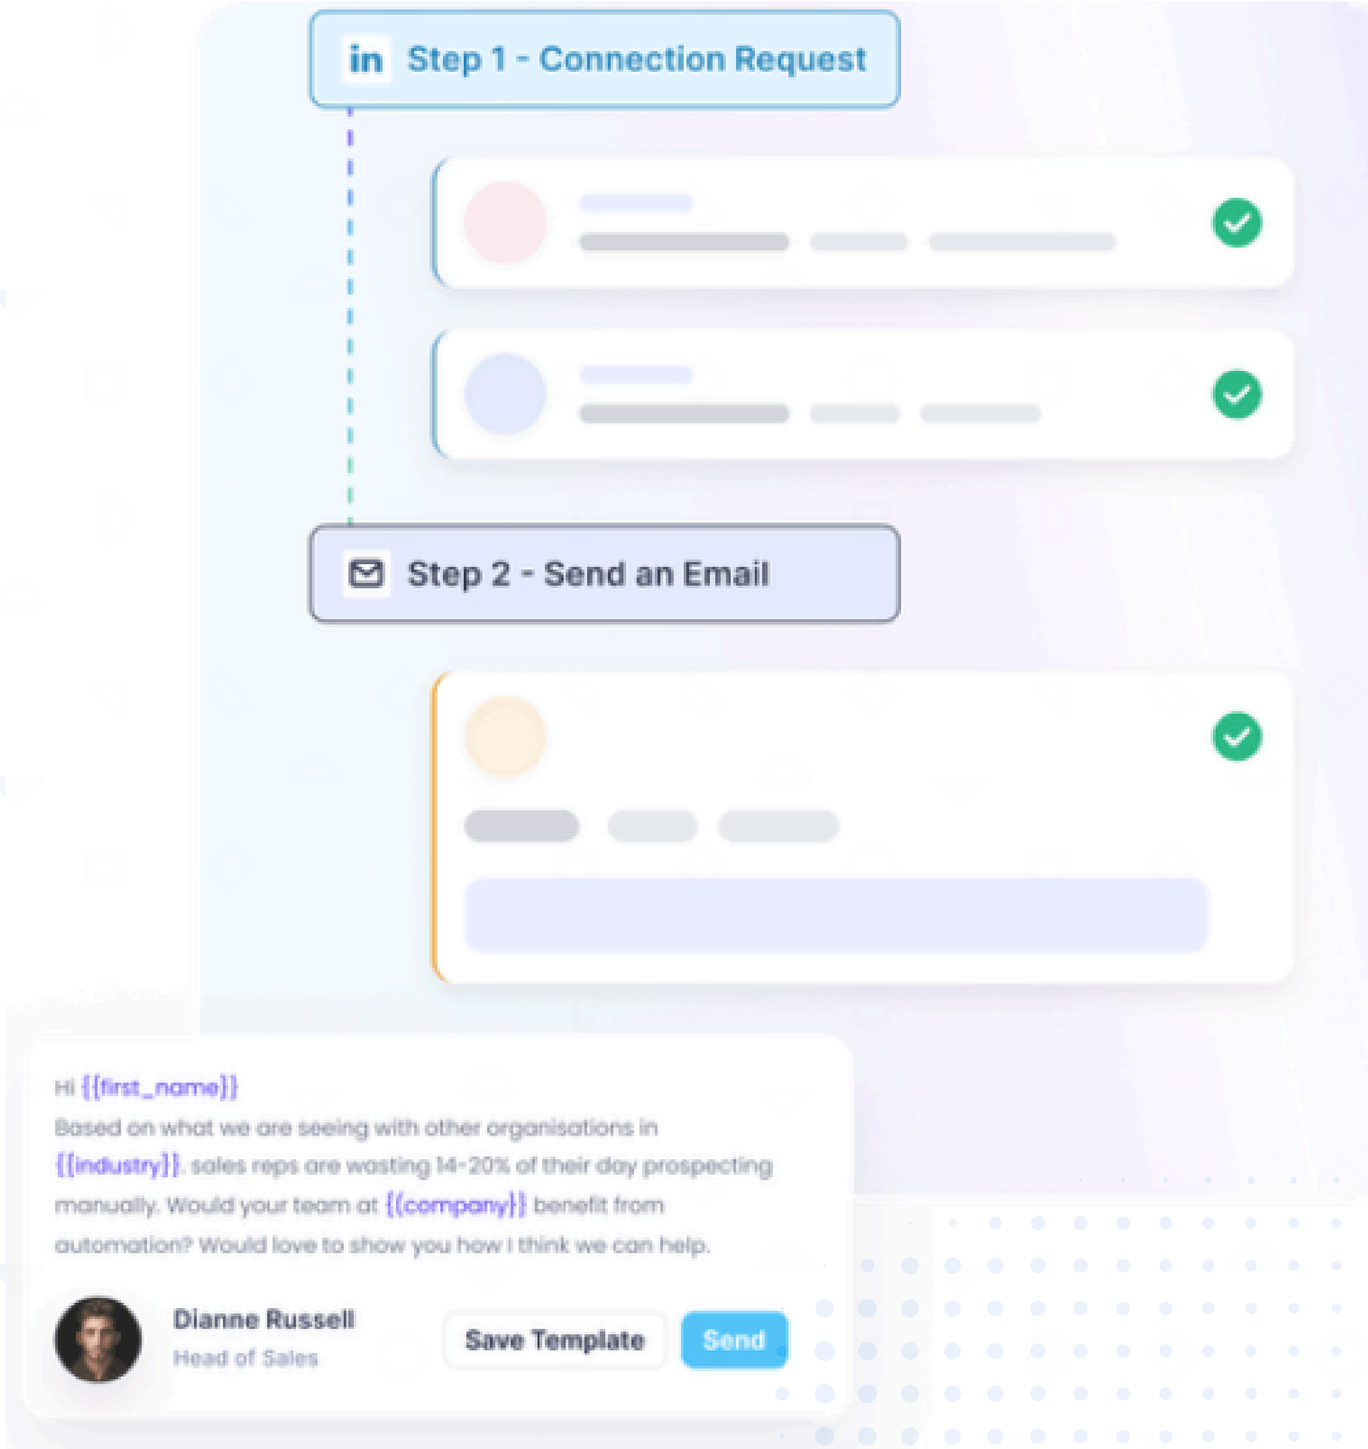
Shows daily and monthly stats like connection requests, message sends, replies, and email opens—great for a quick campaign health check.

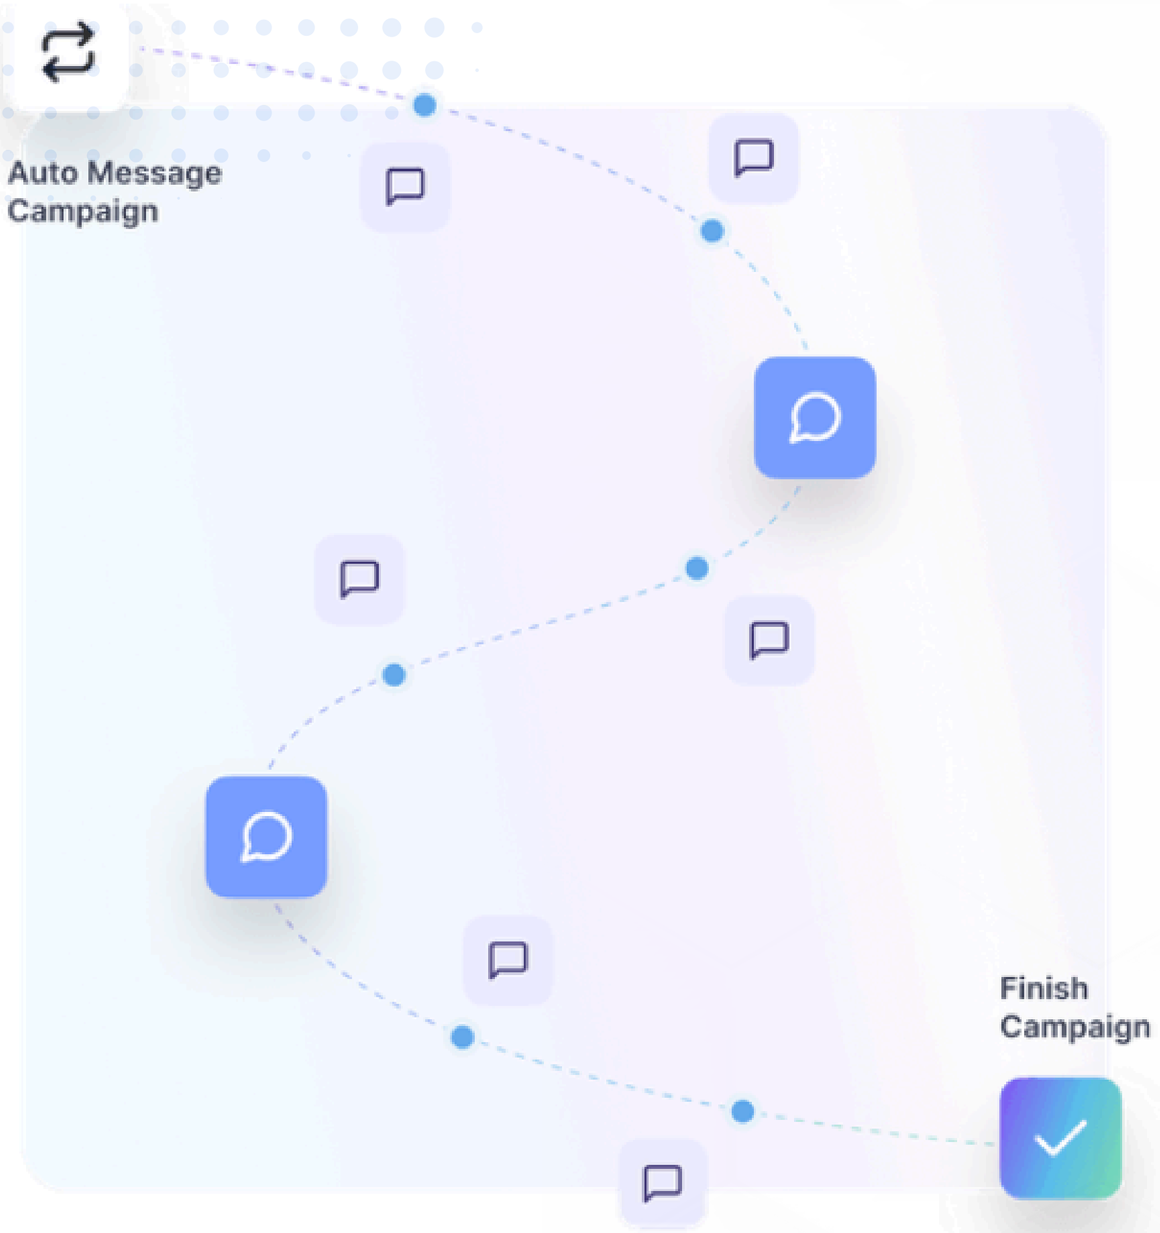
Scheduling and limits

Set daily outreach caps and manage campaign timing with a built-in calendar to avoid weekends or holidays.

Settings and Integrations

Manage your connected LinkedIn/email accounts, sync with CRMs, and assign roles to team members.





Lead and Prospects

Displays lead info (name, title, company, etc.), their status in the funnel, and where they were sourced from.

Campaign Dashboard

Lets you track all active and paused campaigns with progress bars and performance comparisons to see what's working.

Inbox and Conversationa

Central inbox for LinkedIn and email replies, with filters, tags, and smart reply detection to stop unnecessary follow-ups.

If not now, then when

Every second without outreach is a missed opportunity—while you wait, your competitors connect."
