COGNAC

MAISON	TYPE	COUNTRY	GLASS 25ML
---------------	-------------	----------------	-----------------------

HENNESSEY	VS	COGNAC FRANCE	£5.00
-----------	-----------	------------------	--------------

In 1865, Maurice Hennessy, determined to devise a universally recognised classification, created a system which would be adopted by the entire profession. This is the origin of the 'Three Stars' Cognac now called 'VS' (Very Special). Hennessy VS is a blend of over 40 eaux-de-vie from the four premier Cognac regions or 'Crus' selected for their liveliness and full body, and is aged for between 3 and 8 years.

REMY	VSOP	COGNAC FRANCE	£5.00
------	-------------	------------------	--------------

Created in 1927, Rémy Martin VSOP is the first ever VSOP Cognac Fine Champagne blend, and the first to be enshrined in the iconic frosted bottle. Today, it continues to hold its place as one of the best amongst cognac connoisseurs all over the world. This original VSOP blend is the reference of the house of Rémy Martin - the pure, authentic essence of Cognac Fine Champagne.

HENNESSEY	XO	COGNAC FRANCE	£14.00
-----------	-----------	------------------	---------------

In 1870, Maurice Hennessy created XO (Extra Old), reserved solely for the consumption of his family and close friends. However, XO is composed of several hundred eaux de vie originating from the regions' four premier crus (Grande Champagne, Petite Champagne, Borderies, and Fins Bois) and aged for a period of 10 to 30 years.

REMY MARTIN	XO	COGNAC FRANCE	£15.00
-------------	-----------	------------------	---------------

Rémy Martin XO is composed of eaux-de-vie coming exclusively from the highest-quality vineyards of Cognac, the Grande Champagne and Petite Champagne. Such eaux-de-vie offer an exceptional aging potential and are known as Cognac Fine Champagne.
