Third Party FINANCING

Our third-party financing option is one of our most popular choices, designed to make your wellness journey and business launch seamless and accessible. This option allows you to invest in premium wellness products and start your business with zero dollars out of pocket. For those starting with our business builder packages, it even offers the added benefit of receiving hundreds back in cash, making it an excellent way to kickstart your success. To get started, click the link below and apply for the amount you'd like. If you're unsure how much you need, reach out to your distributor for guidance before applying.

PERSONAL LOANS

Before applying for a credit card or personal loan, it's crucial to check your credit score. Websites like Credit Karma can help you review your current score. Keep in mind that applying for a credit card or loan is at your own discretion, and we cannot guarantee the amount you may be approved for.

Third Party FINANCING

An alternative to the Enagic Finance payment plan is looking for a Low/0% interest credit card on purchases with a 12-24 month repayment plan. You can often balance transfer to another 0% interest credit card after the end of the term (subject to fees) to extend the time. This is subject to your annual earnings and other factors. Below are some popular sites (please note this is just financial information and not financial advice).
