ABOUT THE PROGRESS

The In-Service Training for VET tutors was organised in Zagreb, Croatia from the 21st to the 23rd of February 2023. This second transnational training event for VET tutors focused on piloting the face-to-face elements of the *In-Service Training Programme* that addresses building the pedagogic and technical skills of VET tutors to enable them to produce media-rich challenge-based learning resources and interactive infographics.

The Compendium of Entrepreneurship eSMART EduZines and Interactive Infographics and Compendium of Investment Readiness eSMART EduZines and Interactive Infographics are produced in English will soon be available in German, Croatian, Spanish, Polish, Greek and Portuguese.

PROJECT MEETINGS AND TRAINING ACTIVITIES

The In-service training for VET tutors was held Face-to-Face in Zagreb, Croatia from the 21st to the 23rd of February where 14 VET tutors were introduced to Web 4.0 and built their pedagogic and digital skills.

Following this, the consortium held two productive online meetings, on the 31st of May and 4th of July 2023.

WHAT IS NEXT?

The German partner, *Skills Elevation FHB*, is currently working on producing eSMART EduZines; while the Irish partner, *Spectrum Research Centre CLG*, is producing the Interactive Infographics; in digital formats in German, Croatian, Spanish, Polish, Greek, and Portuguese.

The Cypriot partner *CARDET* is working on uploading the learning resources to the eSMART MOOC platform to present the Entrepreneurship and Investment-Readiness EduZines and Interactive Infographics.

The next activities of the eSMART project are the implementation of the Learning, Teaching, and Training Activities and organising the Multiplier events in all partner countries.

The last project meeting and the final conference will be organised in Oberwart, Austria on the 17th of October 2023.
