

6 Piece Pizza Token Board

Instructions

Materials needed:

- 2 pizza print outs (Print 1 pizza larger than the other)
- Laminator or clear scotch tape
- Velcro
- Scissors

Steps:

1. Cut the smaller pizza printed into pizza slices.
2. Laminate the whole pizzas and the pizza slices.
3. Cut the pizzas leaving a small border around the pizza and slices you cut.
4. Put rough Velcro on the whole pizza where the slices go.
5. Put soft Velcro on the back of the slices.
