Our 1% *Mission:* **Why We RISE**

Our partners are not just selling products, they're leading a mission to impact the world, 1% at a time.

We believe when people feel better and are empowered to lead, they make better choices, they build better families, and they change entire communities.

This event is for those who:

- Want to be part of a global movement
- See themselves as leaders of change
- Believe in purpose over profit
- Know that now is the time to step up

*This is **not** a business opportunity — it's a calling. Welcome to the mission.*

Event highlights

Breakthrough Science on Metabolic Health

Hear from *Dr. Benjamin Bikman*, one of the world's top metabolic scientists, as he explains the real root of fatigue, weight gain, and chronic illness — insulin resistance — and how Unicity is solving it.

Why Unicity

Unicity's Vice President, *Sam Hughes*, will share why Unicity remains debt-free, science-first, and constantly evolving. Backed by a global science board (led by Dr. Bikman), Unicity is pushing out clinical studies and product innovations that keep us years ahead.

New Unimate Flavour Launch

Be the first to taste & take home an exclusive new Unimate experience, only available at RISE.

This is a surprise you won't want to miss.

The Business of the Future

While AI threatens jobs in every industry, Unicity stands firm. This business thrives on real connection, real transformation, and human leadership. Distributors who show up for RISE are the ones ready to build resilient, AI-proof legacies.

This Isn't a Seminar, *It's an Experience.*

1

From the moment you land in Miami to the final standing ovation, every detail is designed to elevate you.
