About Lana Lou

My name is Lana Lou, and I am a 10-year-old Catahoula dog. I was rescued at 4 months old and found my fur-ever home with my fur-ever Mom & Dad.

My mission has always been to make people happy. I've had a rough life, and you can watch a video of my store on my website.

After becoming a licensed Therapy Dog, I worked with Dementia patients for 5 years. In Feb, 2024, I was diagnosed with Oral Melanoma Cancer and had 2 surgeries and alot of cancer drugs. My mom decided to use my life to leave a legacy of inspiration and joy.

20% of all profits are donated as a way to help other rescue dogs & dogs fighting cancer. Thank you for helping me make a difference and leave a legacy of inspiration.

I hope you love this coloring book. If you have suggestions for other books we can make a difference with, please go to my website and send me an email! I love communicating with my human friends.

Thank you so much for spending time with me.
