POP PROPAGANDA™

PONDER/DISCUSS

- What would you stop buying or doing or worrying about if you knew you were enough exactly as you are?
- Is there a thing that you've always wanted to do, but told yourself you can't? Talk or write about this thing from a no-limits vantage point. You not only can do it; you are doing it. Describe the experience.
- What are the status symbols that have value with your friends and colleagues?
