A LITTLE BIT ABOUT ME

Dr. Wendy Sneddon (RVN, MSc, FInstLM, AssocCIPD) is an award-winning author, TEDx speaker, trainer, fellow of the Institute of Leadership and Management and associate member of the Chartered Institute of Personnel Development. Wendy is a UK-based experienced Business and Leadership coach with 20-plus years of helping start-up businesses, strategic planning, and team management/training.

Wendy has been investing in property since 1990. Her first property was a flat which was purchased for £26,000, she spent £2,000 and sold it in 1993 for £38,000. In 2013 she embarked on a self-build project and over 3 years built 3 x 2 bedrooomed bungalows, together with a commercial to residential conversion of offices into 4 x 2 bedroom and 1 x 3 bedroom flats. In between these ventures, she partnered up with her sister and embarked on a training programme with Legacy Education Alliance.

Wendy is also the founder of the Lodestone Lounge, an online community supporting entrepreneurs with business and HR skills; and creator of HR For You, a cloud based filing system for all your employee data and records.
