## Hey, I'm Yigal! I UNLOCK Leaders.

I am a **SPEAKER, BUSINESS COACH, BEST-SELLING AUTHOR, PODCAST HOST, HUSBAND AND FATHER.**

I am on a mission to unlock **LEADERS** in any title and position. I help people transform into profit producing leaders. I do that by igniting the leader within business owners and teams to become epic leaders that will shift through making more, stressing less, and having more time through self-leadership skills.

I speak about mastering self-leadership skills and how leadership affects your life and your business. My approach is **NO -BS**, straightforward, and infused with the wisdom of real-world strategies. It's time to move beyond traditional leadership—because it's outdated and ineffective, and it's time we fix it! Let's redefine leadership together and turn your potential into profit.
