What is a Republican Precinct Caucus?

A precinct caucus is the gathering of registered Republican voters within a county to elect Leadership for each polling precinct and to identify Delegates and Alternates to participate in the upcoming County Convention.

Why is it important to me?

Elections and qualified candidates don't just happen on their own. It all begins at the grassroots level. Precinct leadership is to organize and motivate other passionate Republicans in their voting areas. If you are a concerned citizen and love this country, this is the most foundational part of the process... Mobilizing neighbors to educate and inspire. You are important to the cause!

All Paulding County registered voters who believe in the principles of the Republican Party are urged to participate in the process. You do not need to be a member of the Paulding County Republican Party (PCGOP).
