**Do you want to be a Delegate to the District Convention
and/or the State Convention?**

You must act NOW! We only have 74 Delegate seats open for District and 56 Delegate seats for State. If you want to be filling one of those seats and voting on District leadership and resolutions and/or State GOP leadership and resolutions - **You need to Contact Rocky Swann Today!**

If you are a county delegate, you must still contact Rocky to be interviewed for District and State.

2/16/2023

To: All Paulding Republicans interested in being an officer of the PCRP or a delegate or alternate to the district or state conventions,

From: Rocky Swann—Chairman of the county nominating committee.

A nominating committee is established to select delegates and alternates to the district and state conventions. While it is not necessary for the committee to interview every prospective delegate, many of you will need to go through the interview process. Anyone not selected on the nominating committee's slate is allowed to run from the floor provided they have first interviewed for the position with the committee. Those who have not interviewed are not allowed to run from the floor of the convention.

If you would like to be considered as a delegate or as an alternate please send an email to rockyswann@hotmail.com or call **Rocky at 770-630-9720**. Interview times will be from 6 pm until 8 pm on the weeknights and for Saturday, 10 am until noon, on the following dates:

Monday February 27

Wednesday March 1

Saturday March 4

Tuesday March 7

Thursday March 9

Interviews will only last 10-15 minutes each. Let Rocky know your preferred time by phone call or email. We will do our best to accommodate your wishes but first come, first served.

NOTE!!!! The location of interviews will be 1280 Jimmy Campbell Parkway, Building 500, Dallas, Ga. 30132. Many thanks to Cathy Helms for allowing us to use her place of business.

To interview for a position as an officer of the PCRP the above information is the same except for the position of chairman. All candidates for an officer position will be interviewed. I would ask that those wishing to run for the position of chairman to interview on Saturday March 4. In the event that a member of the committee is related to one of the candidates we will ask any such member(s) to recuse themselves during both the interview process and the voting for that office.

Additional information: Conventions cost money. **The fee per person for the county convention is \$25, for the district convention is \$35, and the state convention usually is about \$50** (I have not seen that information published anywhere yet). Fees are the same for both delegates and alternates. Guests are allowed at all conventions but they pay the same fee.
