RESOLUTION URGING GOP LEGISLATORS TO PASS LEGISLATION TO REVERT BACK TO USING BIOLOGICAL SEX IN POLICIES AND LAWS WHEN REFERRING TO RESTROOMS, CHANGING ROOMS, SPORTS, PRISONS, HOSPITAL WARDS, SHELTERS

Sex is determined at birth according to chromosomes, gonads, and anatomy which determines biological sex. (WebMD) Therefore, sex is **observed** at birth based on gonads and anatomy or chromosomal tests not 'assigned' which is being deceptive. Gender is a multi-faceted social system largely based on society and culture. There are some consistencies, but it can be concluded that gender is not predetermined based on sex. (WebMD) Therefore, gender is ambiguous and should not be used in policies and laws.

WHEREAS, the words sex and gender are being conflated in society when there are biological differences; and,

WHEREAS, there are only two biological sexes, biological female body and biological male body; and, the word gender can be infinite and activists are purposely replacing or conflating gender to manipulate and deceive; and,

WHEREAS, policies, laws, and sex specific job positions should be written specifically using the terms biological sex, biological female body and/or biological male body not using the word gender for the security, safety, protection and wellbeing of both sexes and also for those who are uncomfortable sharing spaces with the opposite sex bodies; and,

WHEREAS, sports and spaces, for example restrooms, changing rooms, prisons, hospital wards, etc. should be separated by sex not gender; and,

WHEREAS, women have fought for women's sex based rights, their spaces and sports leagues and they should be protected and used only for biological female sex only; and,

WHEREAS, adhering to gender over biological sex should no longer be accepted and, for those who want to prioritize gender should organize to build their own 'gender' spaces and sports leagues and not invade women sports and spaces, what women fought for to separate themselves from biological male bodies; and,

BE IT RESOLVED, that the Paulding County Republican Party suggests reverting back to using biological sex in policies and laws by replacing the word gender.

BE IT FURTHER RESOLVED, that the Secretary of the Paulding County Republican Party is hereby authorized and directed to transfer a copy of this Resolution to the

Paulding Republican House and Senate Delegations, The Honorable Burt Jones, Lieutenant Governor of the State of Georgia, The Honorable Brian Kemp, Governor of the State of Georgia, and the Chairman of the Georgia Republican Party.
