## UMS STUDENT APPLICATION FORM {Section III}

### THINGS TO CONSIDER

As a student at UMS you will be expected to obey the rules of the school. These rules forbid drunkenness, fighting, and sexual immorality. If you are married, we expect you to be faithful to your marriage vows. If you become involved in sexual immorality, you will be expelled immediately. We ask all students not to enter into romantic relationships during their time at the school.

When you arrive at UMS, you will be living with other students. Usually four students will share a room together. Your school fees will cover the costs of your accommodation.

Your training time at UMS is a very serious time. It is a time in which the Lord will equip you for your calling. Your life will change dramatically. You will become bold and sure of your faith. You will preach the gospel with power in difficult places.

If you attend UMS, you need to know that we are training missionaries to reach the unreached. The largest unreached group is the Muslims. During your time in UMS, you will be trained on how to minister effectively to Muslims. During the outreaches, you will preach the gospel in Muslim dominated areas. Naturally, some risk is involved in these outreaches, and you must be prepared to accept that risk.

Count the cost!

### OUR COMMITMENT TO YOU

If we accept you as a student in UMS, we commit ourselves to train you for the work of the ministry. The teachers at UMS are all very experienced in ministry. They come from different parts of the world. They are prophets, apostles, teachers, and evangelists. They are men and women of action. They will not only tell you what to do, they will show you what to do. When we go out on outreaches, your teachers will lead the way, as they preach the gospel to the unreached.

The staff at UMS is committed to a high standard of righteousness. If you are in sin, we will confront you. We will not overlook unrighteousness. We will pray for you and for your destiny, and do what we are able to do to help you accomplish it.

We do not promise that every student who is trained at UMS will become missionaries sponsored by UMS. UMS will train many missionaries but it is the LORD of the Harvest who sends. Many students will need to be sponsored and sent by their home churches.
