THE TOP 5

1 K-State welcomes a familiar foe to Bill Snyder Family Stadium on Saturday as long-time Big 8 and Big 12 member Missouri visits Manhattan for an 11 a.m., ESPN2-televvised showdown. It is the first time the two teams have squared off since the 2011 season as the Collin Klein-led Wildcats held off the Tigers, 24-17, in Manhattan. A sellout crowd has been announced for Saturday's game.

2 Coming off a Consensus All-America season, running back **Deuce Vaughn** picked up right where he left off in the 2022 opener, rushing for 126 yards and a touchdown against South Dakota. It was his seventh-straight game with more than 100 rushing yards, which ranks second in school history to Darren Sproles, who had a 10-game streak spanning over the 2002 and 2003 seasons.

3 A transfer from Nebraska, **Adrian Martinez** earned the start at quarterback for the Wildcats last week as he became the first signal caller to start a season opener after transferring from a Division I school since Matt Miller (Texas A&M) started the 1994 opener. However, he is the first ever to come straight from one Division I school and start the next year's season opener as Miller redshirted the 1993 season.

4 With seven returning starters on defense a year ago, the Wildcats returned to form against South Dakota as they pitched a shutout, their first since the 2019 Bowling Green game. It was one of just nine shutouts nationally during the opening weekend of the season and the only one in the Big 12. South Dakota only converted on 5-of-16 third down attempts, while the Coyotes were 0-of-4 on fourth down.

5 Known for its special teams prowess, K-State brings back both of its primary returners in **Malik Knowles** (kickoffs) and **Phillip Brooks** (punts), each of whom have garnered All-America status in their disciplines during their careers. However, it was a blocked punt by **Seth Porter** and a 17-yard return for a score by **Desmond Purnell** that got the Wildcats their first special teams touchdown of the season.

• K-State is the nation's best in non-offensive touchdowns over the last 23 seasons as it has 127 since 1999, nine more than the next closest team.

• Kansas State tallied three non-offensive scores in 2021 as **Malik Knowles** returned a kickoff for a touchdown at Oklahoma State and against Oklahoma, and Marvin Martin returned a block punt for a score against West Virginia.

• Last week, **Seth Porter** blocked a punt which was then scooped up and taken into the end zone by **Desmond Purnell**.

NON-OFFENSIVE TDs SINCE 1999

1.	K-State	127
2.	Alabama	118
3.	Virginia Tech	113
4.	Boise State	108
T5.	Texas/Utah	107

Of the 127 non-offensive TDs since 1999, 42 have been punt returns, 39 interception returns, 33 kickoff returns, 11 fumble returns and 2 missed/blocked field goal returns.

MORE DEPTH

• K-State's initial two-deep of 2022 included 58 names, which was the most since the first depth chart of 2014 (58).

• Over **Chris Klieman's** first three seasons at K-State, the initial two-deep in 2021 listed 56 names, the first one of 2020 listed 54, and the first two-deep under Klieman listed 52.

• Last week, with the ultimate goal of building more depth, a total of 66 players saw the field against South Dakota.

OFFENSIVE NOTES

KLEIN TAKES OVER AS OC

• A 2012 Heisman Trophy finalist and one of the best signal callers in school history, **Collin Klein** is in his first season as K-State's offensive coordinator.

• Klein is one of just four Power 5 offensive coordinators to play quarterback at the school in which they work. The other three are Brandon Streeter (Clemson), Tommy Rees (Notre Dame) and Tavita Pritchard (Stanford).

• Klein was promoted to interim offensive coordinator for the TaxAct Texas Bowl, and all he did was direct the Wildcats to 42 points – their highest output of the season and third highest in school bowl history – while their 442 yards of total offense was the second-best output of the 2021 season and ranked fifth in K-State bowl history.

• Klein was a co-offensive coordinator for one season at K-State (2018), as he begins a run as the Wildcats' sole offensive play caller for the first time in his career.

OFF AND RUNNING

• K-State opened the season with 297 yards on the ground, led by **Deuce Vaughn's** 126 yards and **Malik Knowles' 75-yard** touchdown run on the first play of the season.

• The 297 yards on the ground were the most by a Wildcat team since recording 342 in the 2019 KU game.

• Knowles' score 10 seconds into the game was the fastest score in school history. It topped an 11-second score against Louisiana Tech in 1988.

RANKING HIGHLY IN 2021

• K-State returns 24 letterwinners – including six starters – from an offense that ranked highly in school history in many statistical categories.

• The 2021 Wildcats set the school record for completion percentage (69.59) and ranked third in yards per play (6.30). They

also finished sixth in rushing yards per carry (4.83), seventh in passing efficiency (146.6), eighth in completions (204) and ninth in yards per pass attempt (8.36).

POINTS PER GAME GOING UP?

• One area in which K-State may improve this season in points per game. The Wildcats averaged 27.5 points per game in 2021, but they have two of the top scorers in the nation on their roster.

• Running back **Deuce Vaughn** currently ranks first nationally among all active non-kickers in career points per game (8.0), while quarterback **Adrian Martinez** is fourth (5.6).

• K-State opened the season with 34 points against South Dakota, which included rushing touchdowns by both players.

AN EXPERIENCED QB

• One of the top transfer quarterbacks in the 2022 cycle landed at Kansas State in **Adrian Martinez**, who spent the previous four seasons at Nebraska.

• A career 38-game starter for the Huskers, Martinez set 17 school records, including career total offense (10,792) and completions (670).

• Martinez is one of only two active quarterbacks in the nation with 8,000 passing yards and 1,000 rushing yards in a career. He is tops among active quarterbacks in career rushing attempts (521), second in rushing touchdowns (36) and rushing yards (2,340) by a quarterback, and third in total offense (10,884).

MIX OF NEW AND OLD

• The blueprint for success has been established for the offensive line under coach **Conor Riley** since he came to Manhattan with **Chris Klieman** in 2019. That should make for a smooth transition for three new starters in 2022.

• Junior **Cooper Beebe**, a 2021 First Team All-Big 12 performer who is a Preseason All-American and on the watch lists for the Outland Trophy and Lombardi Award, is back started the season at left guard, but he can still play tackle.

• Another seasoned veteran lines up at right tackle in **Christian Duffie**, a player who has started 22-consecutive games for the Wildcats, the most on the team.

• However, K-State is replacing the interior of the offensive line. Senior **Hayden Gillum** started at center, while sophomore **Hadley Panzer** is listed as the starter at right guard.

VAUGHN RETURNS AFTER ALL-AMERICAN SEASON

• One of the top returning players in all of college football by multiple media outlets, running back **Deuce Vaughn** is looking to improve upon his 2021 campaign in which he became the 11th Consensus All-American in school history.

• A product of Round Rock, Texas, Vaughn is one of just six Consensus All-Americans returning from last season, joining Alabama quarterback Bryce Young, USC wide receiver Jordan Addison, Alabama linebacker Will Anderson Jr., Michigan kicker Jake Moody and USF returner Brian Battie.

• Vaughn, who earned First Team All-America honors by the Associated Press and *Sporting News*, currently ranks first nationally among all active non-kickers in career points scored per game (8.0), second among active players in career all-purpose yards per game (134.21), fourth in rushing yards per carry (5.8) and sixth in total touchdowns (32).

• A threat virtually every time he touches the ball, Vaughn has gone for at least 10 yards on 95 of his 451 career scrimmage touches as he is gaining at least 10 yards 21.1% of the time he either takes a hand off or receives a pass.

ALL-PURPOSE BACK

- The high career marks by **Deuce Vaughn** are not only due to his prowess as a runner, but he has been one of the best running backs in the nation in terms of catching the ball out of the backfield.
- Over the first 24 games of his career, Vaughn has 2,172 rushing yards and 904 receiving yards. With 96 more receiving yards, he will be just the 59th FBS player overall since 1996 to reach the 2,000/1,000 mark and just the 10th from the Big 12.
- However, Vaughn could be one of the fastest players to hit the marks in terms of games played.
- Additionally, he would be just the second Big 12 player to hit those marks prior to the end of his junior year, joining former Texas Tech running back Taurean Henderson.

OFFSEASON MOMENTUM

- Senior **Malik Knowles** received great offseason momentum from his performance in the Texas Bowl as he hauled in two touchdowns to help K-State to a 42-20 win over LSU.
- His two touchdowns tied for the third most in K-State bowl history and pushed his career total to 12, which is tied for eighth in school history.

DEFENSIVE NOTES A BIG TURNAROUND

- The K-State defense switched from a four-man front to a three-man front in 2021, and the change paid off in spades as the Wildcats trimmed 11.2 points and 100.0 yards per game allowed off their averages from the year prior.
- Those categories were just some of the major improvements from years past.

DEFENSIVE IMPROVEMENT

Category	2021 Mark	Best Since (#)
Scoring Defense	21.0	2003 (16.3)
Total Defense	344.7	2009 (339.9)
Rushing Defense	129.5	2017 (117.7)
Tackles for Loss per Game	6.9	2006 (7.0)
Total Turnovers Gained	18	2018 (19)

FEW EXPLOSIVES

- One area of emphasis for the Wildcat defense in 2021 was to limit opponents' explosive plays, and the Wildcats made headway in that area by allowing 3.5 plays per game of 20 or more yards.
- It was the lowest per game mark allowed by K-State since the 2014 squad surrendered 3.3 plays per game of 20 or more yards (43 plays in 13 games).
- K-State's 48 total plays allowed of 20 or more yards last year tied for the 18th fewest in the nation last season and ranked second in the Big 12.
- Last week, the Cats just gave up two total plays of 20 or more yards (1 rush/1 pass).

FEW FIRST DOWNS

- The Wildcats also ranked highly in the nation last season in fewest first downs allowed, surrendering 17.9 per game to rank 20th in the nation.
- K-State allowed 20 or fewer first downs in 10 of its 13 games in 2021, including five contests with 15 or fewer.
- It was the second time under head coach **Chris Klieman** that K-State ranked in the top 20 in that category having placed 17th at 17.2 first downs allowed per game in 2019.
- Since the NCAA made first downs an official statistic in 2008, the Wildcats have only been under 20 first downs allowed per game on four occasions.
- South Dakota had just 13 first downs last week.

PLAYING BEHIND THE LINE

- K-State tallied 90 tackles for loss last year to rank 10th in school history and 26th in the nation. It was the second most by a K-State team since 2004 (2006 squad had 91) and was the Wildcats' best national ranking since placing 18th in 2006.
- The Wildcats return 56 of those 90 TFLs from last year (62.2%), a majority coming from the top two in the category last year in linebacker **Daniel Green** (16.0) and defensive end **Felix Anudike-Uzomah** (14.5).
- K-State tallied at least six tackles for loss in 10 games last year, which included each of the final six regular-season contests.
- The Wildcats tallied a season-high 10 TFLs against Baylor and TCU, while they had nine against West Virginia and Texas.
- K-State recorded 10.0 TFLs last week against South Dakota, including 2.0 from Anudike-Uzomah.

FINDING A NEW HOME

- K-State brought in eight transfers from either Division I or community college on the defensive side of the ball, including six that could see significant time early in the season.
- Transfers that are listed on the initial depth chart include safeties **Drake Cheatum** (Prairie View A&M), **Josh Hayes** (Virginia/North Dakota State) and **Kobe Savage** (Tyler JC), linebackers **Gavin Forsha** (Tyler JC) and **Shawn Robinson** (Missouri/TCU), and cornerback **Jordan Wright** (Fullerton College).

KING FELIX

- After making a name for himself in 2021, junior defensive end **Felix Anudike-Uzomah** is looking to improve off an All-American campaign in which he was also named the Big 12 Defensive Lineman of the Year.
- A Preseason All-American by multiple outlets in addition to being named to the Nagurski Trophy, Bednarik Award and Lombardi Award watch lists, Anudike-Uzomah finished the 2021 season tied for the national lead in forced fumble per game (0.46), while he ranked 11th nationally and second among sophomores in sacks per game (0.85).
- Anudike-Uzomah has seven forced fumbles in his career, just two shy of tying the school record.
- A product of Kansas City, Missouri, Anudike-Uzomah is tied for the national lead among active player in career forced fumbles per game (0.37), while he is fifth in sacks per game (0.68).
- After carding a sack in the opener vs. South Dakota, Anudike-Uzomah is now 5.5 sacks shy of entering K-State's career top-10 list.

WILDCATS IN THE NFL

With the NFL season kicking off this week, 13 former Kansas State players are on NFL rosters as teams cut to 53 players on their active rosters and started adding players to their practice squads last week. Of the 13 players, seven are on defense and six are on offense. The longest-tenured former Wildcats are **Tyler Lockett** and **Cornelius Lucas** as both are entering their eighth season.

Players from last year's team that are now on NFL rosters include defensive lineman **Timmy Horne** (Atlanta), quarterback **Skylar Thompson** (Miami) and safety **Russ Yeast** (Los Angeles Rams).

K-State 21, Marshall 19
September 10, 2005
J.C. Edwards Stadium

Allen Webb threw two touchdown passes and Thomas Clayton scored twice for Kansas State, which preserved a 21-19 victory over Marshall with an interception in the closing seconds.

Marshall had the chance to win with a field goal from the Kansas State 21 with nine seconds left but decided to try one more play. But Jimmy Skinner, playing the second half in relief of injured Bernie Morris, threw an interception to end the threat.

Kansas State went scoreless in the second half but handed Marshall only its eighth loss since its stadium opened in 1991.

Clayton had his second-straight 100-yard game since replacing career rushing leader Darren Sproles, finishing with 152 yards on 26 carries. Kansas State fell behind early but Webb quieted the crowd, running for 58 yards and throwing for 126.

GREEN MEANS GO

- Linebacker **Daniel Green** is back for his senior season after leading the team in both tackles (89) and tackles for loss (16.0) last year en route to All-Big 12 honors.
- He ranked 18th nationally and fourth in the Big 12 with 5.3 solo tackles per game last season. He also finished eighth in the Big 12 with 6.85 tackles per game, the highest ranking by a Wildcat since 2017.
- During the 2021 season, Green totaled at least nine tackles five times, including a season high 11 against Baylor.
- Green now has 163 career tackles, which is 87 shy of becoming the 27th player in school history with 250 career stops. He would be the first one to accomplish that feat since 2014.
- Of his 163 career tackles, 116 are solo stops as he is 53 shy of entering the school's top-10 list.

OLD FACE, NEW PLACE

- Safety **Josh Hayes** is in his sixth year of college football and third school after transferring in the spring from Virginia.
- However, Hayes, a product of Lakeland, Florida, is reuniting with head coach **Chris Klieman** and defensive coordinator/safeties coach **Joe Klanderma** in Manhattan after the trio were together at North Dakota State. Hayes played as a true freshman and sophomore in 2017 and 2018 under Klieman before he became the K-State head coach for the 2019 season.
- Hayes saw time in all 15 games in 2017, including his first-career start in NDSU's national championship win over James Madison.
- He went on to play 37 more games with 24 more starts for the Bison before transferring to Virginia for the 2021 season, playing in three games before utilizing his redshirt and transferring to K-State.

SPECIAL TEAMS NOTES SCORING IN THE THIRD PHASE

- One of the main reasons the Wildcats have been a successful program the last three decades is a knack for momentum-swinging plays in the return game.
- Since 2005 (17-plus seasons), the Wildcats have a combined 59 kickoff- and punt-return touchdowns, 22 more than second-place Alabama (37) and 27 more than the next closest Big 12 team (Oklahoma State – 32).
- Of the 59 total returns, a nation-leading 31 are on kickoff returns. The next closest team is San Diego State with 19.
- With the Wildcats' blocked punt-return touchdown last week against South Dakota, K-State has now tallied a punt-return score in every season since 2014, as the 10-year stretch is the longest in school history.

KICK/PUNT RETURN TDs SINCE 2005

Rk.	School	PR/KOR TDs
1.	K-State	59
2.	Alabama	37
3.	Oklahoma State	32
	San Diego State	32
T5.	Oregon/TCU	31

DEFENSE ON KICK RETURNS

- On the flipside, K-State has excelled in kickoff-return defense, as the Wildcats have gone 112-consecutive games and 358 kickoff returns defended without allowing a score. The last team to take one to paydirt on K-State was Louisiana in 2013.
- K-State's 112-game streak is tied for sixth in the nation with New Mexico behind Florida State (235), Memphis (170), Akron (134), Virginia Tech (118) and UTEP (116).
- The Wildcats have tallied 14 kickoff -return scores since surrendering their last one.

KNOWLES WITH A KNACK

- Malik Knowles is the latest Wildcat with a knack for kickoff returns as he was a 2021 Second Team All-American by Phil Steele and a 2022 Preseason All-American by multiple outlets.
- Knowles was the 2021 First Team All-Big 12 kick returner, marking the 15th time in the 26-year history of the Big 12 that K-State had a First Team All-Big 12 returner. The next closest team is former Big 12 member Colorado with four.
- Knowles is tied for fourth in school history in both career and single-season kickoff return touchdowns, thanks to scores last year in back-to-back weeks at Oklahoma State and against Oklahoma.
- Knowles, who also had a 100-yard return in 2019 at Mississippi State, is tied for second nationally among active players with three career kickoff-return scores.
- Knowles currently ranks ranked fourth in school history in career kickoff-return average and touchdowns, while he is tied for second nationally among active players in touchdowns and ranks third in average.

ZENTNER BACK FOR SENIOR SEASON

- Another All-Big 12 performer returns as punter, as **Ty Zentner** is taking advantage of a second senior season in 2022 after averaging 43.5 yards per punt a year ago to tie for fifth in school history.
- His average would have ranked second in the Big 12 had he punted eight more times to reach the required minimum of attempts.
- Zentner's career average of 42.39 would rank fourth in school history if he had four more kicks to qualify.
- Zentner was also the Wildcats' primary kickoff man last year, totaling 36 touchbacks on his 67 kickoffs (53.7%), the most by a Wildcat since at least 2004.
- He got his season off to the right start in that discipline as he tallied five touchbacks on his six kickoffs against South Dakota.

TAKING A STEP FORWARD

- After serving as the primary place kicker each of the final five regular-season contests last season, **Chris Tennant** looks to hold down the spot during his second season in Manhattan.
- A true freshman in 2021, Tennant connected on 5-of-8 field goals and all 16 extra-point attempts as he became K-State's first true freshman to make a field goal since 2001 (Joe Rheem).
- One of those makes was a 51-yarder at Texas, which tied for the longest by a true freshman in school history (Jaime Rheem, 1996 vs. Nebraska) and tied for the seventh longest by a true freshman during the 2021 season.

SCHEDULE NOTES

SCHEDULE IS STREAKY

- K-State's 2022 schedule features four home games in the first five weeks of the season when the Wildcats host South Dakota (9/3), Missouri (9/10), Tulane (9/17) and Texas Tech (10/1).
- Following that stretch, the Wildcats will not return home for nearly a month as they have two road games sandwiched around a bye.
- A quick two-game homestand is followed by two-straight road games, while the Wildcats host Kansas in the regular-season finale.

ON THE ROAD AGAIN

- K-State will once again be on the road to begin Big 12 play as the Wildcats being their conference slate Sept. 24 at Oklahoma.
- It is the 22nd time in the 27-year history of the Big 12 that K-State will begin conference play away from home.
- Interestingly, it is the fourth-straight season K-State will start Big 12 action in the Sooner State. In 2019 and 2021, K-State was at OSU, while in 2020 and 2022 the Cats are at OU.

FAMILIAR FOE

- K-State will welcome in a familiar opponent on Sept. 10 when Missouri comes calling to Manhattan. The Wildcats and Tigers were conference members for nearly 100 years beginning when K-State joined the Missouri Valley Conference in 1913.
- The Wildcats and Tigers played 94 times over a 96-year period from 1914 to 2011 before MU moved to the SEC.
- K-State and Missouri went from the Missouri Valley Conference to the Big 6 Conference in 1928. The Big 6 turned into the Big 7 in 1948 and the Big 8 in 1960 before the Big 12 was established in 1996.

COACHING STAFF NOTES

BY THE NUMBERS

- 1,176** – Combined Division I coaching wins
- 220** – Combined years of coaching experience
- 179** – Combined Division I all-conference players coached
- 114** – Combined postseason appearances

OLD EMPLOYER

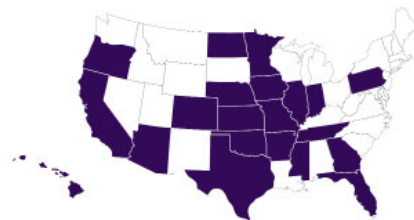

- Five Wildcat coaches – **Chris Klieman**, **Van Malone**, **Brian Lepak**, **Steve Stanard** and **Buddy Wyatt** – will be facing their former employers this season.
- Of the five, Stanard will see two in non-conference action as he was the defensive coordinator at South Dakota in 1996 and Tulane from 2009 to 2011.
- The other four face their previous employers every season in Big 12 play. Klieman was a GA at Kansas (1997), Malone coached at Oklahoma State (2012-14), Lepak played at Oklahoma (2006-07) in addition to serving as a GA (2017-19), and Wyatt played at TCU (1986-89) before being a GA (1991), coaching at Oklahoma State (1996) and Kansas (2010-14).

PRIOR RELATIONSHIPS

- Several K-State coaches had prior working relationships before to their time in Manhattan. A core of the group was at North Dakota State under head coach **Chris Klieman**, as he worked with offensive line coach **Conor Riley** from 2013 to 2018 and defensive coordinator **Joe Klanderma** from 2014 to 2018.

- Additionally, then-defensive coordinator Klieman and line-backers coach **Steve Stanard** and were on the NDSU staff in 2012 and 2013.
- Other connections include: assistant head coach/cornerbacks **Van Malone** and defensive ends coach **Buddy Wyatt** working together at Texas A&M in 2008 and 2009 as well as SMU from 2015 to 2017. Klieman and running backs coach **Brian Anderson** were at Western Illinois together from 1994 to 1996.

ROSTER NOTES

OWNING THE STATE

- A total of 21 states are represented on the K-State roster, and none more so than the state of Kansas as 55 players hail from the Sunflower State. It is the fifth-straight year the Wildcats have had at least 50 Kansans on their roster.
- The next three highest totals come from Texas (18), Georgia (9) and Missouri (7). K-State has signed at least one player from Georgia every year since 2014, and it has totaled 22 Peach State signees over that period.

BROTHERLY LOVE

- The Wildcats have three sets of brothers on this year's team in **Drake** and **Dylan Bequeaith**, **Jax** and **Jet Dineen**, **Eli** and **Jake Huggins**, as well as **Seth** and **Shane Porter**.
- The Dineens hail from Lawrence and are crossing over into enemy lines as their two older brothers played linebacker at KU.
- The Porters are second generation Wildcats as their father, Mark, was a kicker for the Wildcats from 1985 to 1988.

ACADEMIC NOTES

THESE CATS ARE SMART

- Not only has Kansas State put in hard work on the field, but also in the classroom as the Wildcats have been one of the Big 12s best over the better part of a decade.
- Since 2014, K-State has accumulated a Big 12-leading 234 Academic All-Big 12 selections, which is 29 more than the next closest program (Oklahoma State).
- The Wildcats have produced at least 24 Academic All-Big 12 performers every year since 2014, including a school record 34 selections in 2021. That included 27 players that earned first-team honors, the second-straight season the Wildcats posted 27 on the first team.

ON A NATIONAL STAGE

- Kansas State has had four players named Campbell Trophy finalists since 2011, two of which are current NFL players.
- The first in the span was defensive back Tysyn Hartman in 2011, while Tyler Lockett – currently of the Seattle Seahawks – was a finalist in 2014. The Wildcats then had offensive linemen in back-to-back years named finalists in current Denver Broncos Dalton Risner in 2018 and Adam Holtorf in 2019.
- The Campbell Trophy, generally referred to as the "Academic Heisman," is awarded to the nation's top football scholar-athlete by the National Football Foundation.

SERIES NOTES

- Saturday is the 98th all-time meeting between Missouri and K-State, but the first since 2011 as the Tigers moved to the SEC beginning with the 2012 season.
- The Wildcats and Tigers were conference members for nearly 100 years beginning when K-State joined the Missouri Valley Conference in 1913.
- K-State and Missouri went from the Missouri Valley Conference to the Big 6 Conference in 1928. The Big 6 turned into the Big 7 in 1948 and the Big 8 in 1960 before the Big 12 was established in 1996.
- The last time the teams met came on Oct. 8, 2011, in Manhattan when K-State picked up a 24-17 victory. In that game, the Wildcats held a 24-3 lead early in the fourth quarter and held off a pair of MU touchdowns to earn the seven-point victory.
- The 2011 contest saw then-quarterback, now-offensive coordinator Collin Klein throw for 112 yards on 11-of-16 aim, while he rushed for three touchdowns.
- John Hubert, who ranks second in school history in career rushing yards, went for 126 yards on the day.

Game Notes

• The Wildcats had five red zone possession, resulting in three touchdowns and one field goal... K-State's only non-scoring effort was due to kneel downs at the end of the game.

• The Wildcats held Missouri to 112 rushing yards, which was 141 yards below its season average entering the game.

• Quarterback **Collin Klein** notched his seventh start under center... He rushed for three scores, which was a new career high and the most since Carson Coffman also had three at Kansas in 2010.

• Running back **John Hubert** rushed a career-high 26 times for 126 yards... It was the second game of his career with 100 rushing yards.

• Ty Zimmerman opened the game with his first interception of the season... His pick came on the first play of the game, the first time a Wildcat had an interception on the first play since Chris Carney picked off the first pass of the game against Kansas in 2007.

CATS HANG ON FOR 24-17 WIN

MANHATTAN, Kan. — Kansas State finally learned what it's like to play from ahead. It's not any easier.

Collin Klein had three touchdowns rushing for the No. 20 Wildcats, who nearly blew a big second-half lead against Missouri before holding on for a 24-17 victory and their first 5-0 start since 2000.

Klein finished with 157 yards of total offense and John Hubert added 126 yards on the ground for the Cats, who had lost the last five matchups against MU.

James Franklin was 19 of 35 for 214 yards passing for the Tigers (2-3), who came into the game averaging more than 500 yards of total offense. They only managed 326 against K-State, most of that coming on a pair of long TD drives in the fourth quarter.

The first was 79-yard drive that Henry Josey finished with a 2-yard run to get MU within 24-10. K-State promptly went three-and-out, and Franklin led Missouri on a 74-yard drive that he finished off with a plunge from a yard out with 5:02 left in the game.

Tight end Michael Egnew fumbled after a catch on the drive, but a video review gave the ball back to Missouri. It was one of four calls by the officiating crew that were overturned.

Missouri never got another chance with the ball.

Playing from the lead was something new for the Wildcats.

Klein bailed them out with a long touchdown pass in the closing minutes against Eastern Kentucky, the defense delivered a goal line stand to beat Miami, and last week Kansas State scored 10 unanswered points in the final 5 1/2 minutes to stun then-No. 15 Baylor.

Kansas State's defense set the tone on the first offensive play against Missouri.

Franklin dropped back to pass, looked over the middle and threw right to Wildcat defensive back Ty Zimmerman, who had deftly stepped in front of the intended receiver. The interception ended a stretch of 108 consecutive passes without throwing a pick for the sophomore quarterback.

It took K-State six plays to punch it in.

Franklin was sacked for a 13-yard loss on MU's ensuing possession, and K-State went 51 yards in 12 plays before Anthony Cantele's FG made it 10-0.

By the time the first quarter drew to a close, the Tigers had exactly zero yards of total offense - 20 yards through the air and minus-20 on the ground.

Henry Josey finally got things rolling for Missouri in the second quarter, using his quick feet to spring for a couple of long runs. But a false start inside the 10-yard line on second down pushed the Tigers back and they had to settle for Grant Ressel's 32-yard field goal.

Ressel had a chance to get Missouri within 10-6 at the break, but he pushed a 43-yard attempt wide right on the final play of the half as rain started to fall.

The Wildcats' only big mistake all game happened early in the third quarter, when Klein was picked off by Kip Edwards. But their defense held and Ressel's 36-yard field goal attempt was wide left.

CHRIS KLIEMAN

Head Coach • Fourth Year at K-State
29th Year in Coaching • 10th Year as a Head Coach
Northern Iowa '90, '92

• A proven winner with a championship history, Klieman was named the 35th head football coach in K-State history on December 10, 2018.

• In three seasons he has compiled 20 wins, which are the most in school history by a head coach in their first three years. In addition to the 20 overall wins, Klieman has led the Wildcats to back-to-back victories over Oklahoma — ranked No. 5 2019 and No. 3 in 2020 — kept the Governor's Cup trophy in Manhattan with three wins over in-state rival KU and has collected 13 Big 12 Conference wins.

• Thanks to his 21 wins in Manhattan, Klieman holds a career head coaching record of 93-29 as his 76.2% winning percentage ranks third among current FBS coaches that have led programs for at least nine seasons, trailing only Clemson's Dabo Swinney (80.6%) and Alabama's Nick Saban (80.0%).

• One of the latest in the line of victories was a 42-20 win over LSU in the TaxAct Texas Bowl at the end of the 2021 season, as he is the only coach in school history to send two teams to a bowl game in his first three seasons.

• The 2021 season started with three straight non-conference wins over Stanford, Southern Illinois and Nevada and a top-25 national ranking. Following three Big 12-opening losses to teams that were ranked in the top 10 at some point in 2021, the Wildcats reeled off four-straight Big 12 wins, which included a come-from-behind road triumph at Texas Tech, home victories over TCU and West Virginia, and the program's 13th-straight win over in-state rival KU.

• Under Klieman's watch, running back **Deuce Vaughn** became the 11th Consensus All-American in school history as the sophomore was one of three players in the nation to top 1,000 rushing yards and 400 receiving yards on the year, while he ranked in the top 25 nationally in nine different offensive categories. Vaughn was one of 16 Wildcats that earned All-Big 12 honors from the league's coaches, which included four first-team members in defensive end **Felix Anudike-Uzomah**, offensive lineman **Cooper Beebe**, kick returner **Malik Knowles** and defensive back **Russ Yeast**.

• Much like his first two years in Manhattan, Klieman's emphasis of "how you do one thing is how you do everything" translated to the classroom as a school-record 34 players received Academic All-Big 12 honors. Vaughn and wide receiver **Landry Weber** each picked up CoSIDA Academic All-District accolades, while Weber was also a semifinalist for the William V. Campbell Trophy.

• In Klieman's first year at the helm of the K-State program in 2019, the Wildcats managed to win eight games, finish in a tie for third in the Big 12 after being picked ninth in the preseason, knocked off No. 5 Oklahoma at home for the first time since 1996, won at Mississippi State — the Wildcats' first win in 11 tries inside an SEC stadium — kept the Governor's Cup in Manhattan following their 11th-straight win over rival Kansas and quickly got back to bowl eligibility after missing out the year prior. The eight wins by Klieman were the most in school history by a first-year coach and also ranked second nationally among first-year Power 5 head coaches in 2019, trailing only Ohio State's Ryan Day.

• A total of 15 Wildcats earned All-Big 12 recognition in 2019, led by Special Teams Player of the Year Joshua Youngblood, who became the first true freshman in Big 12 history to be named Big 12 player of the year on offense, defense or special teams. His three kick returns for touchdowns led the nation in 2019 and sparked key Big 12 wins over Texas Tech and No. 23 Iowa State.

• The Wildcats placed a school-record 32 players on the Academic All-Big 12 teams, including a league-record 26 first-team members. Headlining the list was Adam Holtorf, who was the Big 12 Scholar Athlete of the Year, a First Team Academic All-American and finalist for the Campbell Trophy.

• K-State jumped out of the gate in Big 12 play in 2020 by winning its first four games, the first time the Wildcats went 4-0 to start conference play in six years and just the sixth time in the 25-year history of the Big 12. One of those victories was at No. 3 Oklahoma, the first road win over a top-five team in school history. The Wildcats were the first team to win two-straight games against the Sooners since 2013 and 2014.

• However, battling through the COVID-19 pandemic and losing senior starting quarterback Skylar Thompson for the season during the third game of the year, the Wildcats finished at 4-6. K-State was one of just two teams in the nation (Georgia Tech) to start true freshmen at both quarterback and running back in at least seven games in 2020.

• Prior to arriving at K-State, Klieman capped his five-year stint as head coach at North Dakota State by winning his fourth national championship in 2018. He tied Jim Tressel (Youngstown State) for the most FCS National Championships as a head coach, while he was a part of seven national championships at NDSU, which was the most in FCS history at the time of his departure.

• Klieman guided the 2018 Bison to a perfect 15-0 record, just the fifth team in FCS history to go undefeated and untied on the way to a national championship. North Dakota State also claimed that feat in 2013 when Klieman as the defensive coordinator.

• A native of Waterloo, Iowa, Klieman is first in NDSU history in winning percentage (.920) and third in victories (69).

• The Bison won the Missouri Valley Football Conference each of his five years as head coach and put together a collective 36-4 (90.0 percent) record against conference foes during that time. He was named the Bruce Craddock MVFC Coach of the Year in 2017, while he was the 2014 Rawlings Football/American Football Monthly FCS Coach of the Year and the 2018 AFCA Region 4 FCS Coach of the Year.

• Klieman was a three-time All-Gateway Conference defensive back at Northern Iowa and four-year letterwinner from 1986 to 1990. He graduated from UNI in 1990 with a bachelor's degree in health education and a master's degree in physical education in 1992.

• Klieman and his wife, **Rhonda**, are parents of two sons, **Devin** and **Colby**, and one daughter, **Haley**. Devin is a graduate assistant for the Wildcats, Haley is a student secretary for K-State Football, and Colby is a freshman defensive back at Kansas Wesleyan.

Game Notes

• The attendance for tonight's season opener was 50,469... It was the first sellout for K-State since the 2019 Oklahoma game (50,394)... The 2019 season – which was the first for head coach **Chris Klieman** – had three sellouts as the Baylor (50,448) and Nicholls (51,189) contests were also sellouts... The game against Nicholls was Klieman's first at the helm of the Wildcats.

• K-State shut out South Dakota, as it was the Wildcats' first shut-out since the 2019 Bowling Green contest... It was K-State's first shutout in a season opener since also blanking South Dakota, 34-0, in 2015.

• K-State scored its first touchdown 10 seconds into the game on a 75-yard run by wide receiver **Malik Knowles**... It was the fastest score in a game in school history... The previous fastest was an 11-second score against Louisiana Tech in 1988... The previous record for a season-opening score was 12 seconds on a Morgan Burns kickoff return against South Dakota in 2015... It was the first time K-State scored on its first offensive play since a 68-yard touchdown from Skylar Thompson to Dalton Schoen against West Virginia in 2019... Knowles' 75-yard rush tied for the 12th-longest run in school history, a mark he also had at Baylor in 2020.

• **Seth Porter** blocked South Dakota's second punt of the evening, which **Desmond Purnell** scooped up and returned 17 yards for a touchdown... It was the second-straight season K-State had a blocked punt for a touchdown, as the Wildcats had one last year against West Virginia... It is the first time K-State had a blocked punt for a touchdown in consecutive seasons since 2007 and 2008.

WILDCATS BLANK SOUTH DAKOTA IN OPENER

MANHATTAN, Kan. – Kansas State didn't waste any time in getting the fireworks started on its 2022 football season.

It took all of 10 seconds.

Wide receiver Malik Knowles took a handoff and darted 75 yards for a touchdown on the very first play from scrimmage, the fastest opening score in K-State history, and Preseason All-American Deuce Vaughn rushed for 126 yards and one touchdown, as the Wildcats rolled to a 34-0 victory over South Dakota in front of a sellout crowd of 50,469 at Bill Snyder Family Stadium.

K-State, 1-0, outgained South Dakota, 0-1, 393 to 270 overall, and stormed to a 27-0 halftime lead with three rushing touchdowns and another off a blocked punt. The Wildcats, who returned 13 starters and seethed with momentum after a dominant win over LSU in the Texas Bowl, appeared dominant from the start in an opening contest that was never in question ahead of an anticipated contest against former Big 12 Conference member Missouri.

A total of 66 different K-State players saw action as the Wildcats substituted as the game wore on over the final two quarters.

Adrian Martinez completed 11 of 15 passes for 53 yards and added 39 yards on 13 carries and a six-yard touchdown on the ground in his debut in the Wildcats' offense under first-year offensive coordinator Collin Klein. The 6-foot-2, 225-pound transfer from Nebraska completed passes to six different targets, including Knowles, who had three catches for 14 yards. Martinez was efficient, didn't commit a turnover, and managed the game well for his first game in a purple uniform.

Redshirt freshman Jake Rubley played the entire fourth quarter and appeared poised in the pocket during the first action of his career. Rubley went 4 of 4 for 43 yards.

K-State's experienced defense was largely effective as defensive coordinator Joe Klanderman utilized the 3-3-5 alignment throughout the contest. Felix Anudike-Uzomah, the Preseason Big 12 Defensive Player of the Year, recorded the Wildcats' first sack of the season early in the first quarter. Safety Cincere Mason recorded the first interception of the season for the Wildcats late in the first quarter.

It wasn't until Carson Camp completed a 13-yard pass to Javion Phelps with 8:29 left in the third quarter that South Dakota reached 100 yards in total offense. However, the Coyotes saw their 11-play drive end with fourth-down incompleteness.

The Coyotes threatened late when they reached the red zone on their final drive of the game, but Cartez Crook-Jones stuffed Mike Mansaray at the four-yard line on fourth down to preserve the shutout.

While K-State recorded its first shutout since 2019, the Wildcats enjoyed their first opening-play touchdown since against West Virginia in 2019.

Martinez handed the ball off to Knowles, who ran around the left side. Vaughn sprung him with a block. And Knowles raced down the Wildcats sideline as cheers swept through the stadium during the march into history.

K-State's previous fastest opening score came in an 11-second score against Louisiana Tech in 1988.

Soon after, the special teams punt-block unit enjoyed a victory of its own when Seth Porter swept in and blocked a South Dakota punt and Desmond Purnell scooped up the football and returned in 17 yards for a touchdown with 8:14 left in the first quarter. Amazingly, it marked the Wildcats' 126th non-offensive touchdown since 1999, which leads the FBS over the span. Alabama ranks second with 118 non-offensive touchdowns.

Vaughn scored his first touchdown of the season when he raced around the right side, cut inside, and weaved 39 yards into the end zone with 49 seconds remaining in the quarter for a 20-0 lead.

BILL SNYDER FAMILY STADIUM

55TH YEAR – 1968-2022

Renamed in honor of Hall of Fame coach Bill Snyder by a proclamation of the Kansas Board of Regents on Nov. 16, 2005, Bill Snyder Family Stadium is hosting its 55th season of Wildcat football this fall.

Originally named KSU Stadium, the facility was built at a cost of \$1.6 million and financed from student fees, athletics gate receipts and contributions. The stadium opened its doors Sept. 21, 1968, with a 21-0 shutout of Colorado State. The original seating capacity was set at 35,000, and an expansion in the summer of 1970 added 4,000 permanent bleachers on the east side and 3,000 temporary bleachers on the west side.

Following the 1998 season, the addition of a deck and sky suites on the east side of the stadium increased capacity to more than 50,000. On Nov. 11, 2000, 53,811 fans witnessed Kansas State's 29-28 win over Nebraska. It remains the largest crowd ever to witness a sporting event in the state of Kansas.

Bill Snyder Family Stadium's more recent changes include a \$75 million project to construct the West Stadium Center in 2013 and the new Vanier Football Complex, with full completion in time for the 2016 season.

Most recently completed is the Shamrock Zone in the south end zone, named on behalf of the Bill Ryan and Martin Ryan families who own and operate Shamrock Trading Corporation. The Shamrock Zone was completed in time for the 2021 season. The project has transformed the south concourse and includes permanent concessions and restrooms for the first time in the history of Bill Snyder Family Stadium, along with two new videoboards in the southwest and southeast corners of the stadium, the latter of which fans began enjoying in 2020.
