

MIZZOU
Golden Girls

Thank you for your interest in becoming a member of the University of Missouri Golden Girls! Please read the following information CLOSELY!

COLLEGE PREP CLINICS

Due to the high volume of emails and requests for personal visits, College Prep Clinics have been established. Clinics are set up to best prepare dancers for the tryout process at Mizzou. There is a question and answer session at the end of each clinic. The tryout procedure and attire will be discussed, as well as team standards and expectations, practice and time commitment, competition opportunities, and all other needed information.

The University requires that the attached medical waiver be completed. Without the signed waiver you will NOT be able to participate. A printer will NOT be available.

There is a \$40.00 fee for each clinic. All clinics will be held at the Tiger Performance Complex (see attached map). Please visit abcsportscamps.com/goldengirls/ to register. Space is limited to the first 40 registrants.
