LEADING THE WAY

Entering his eleventh season at the helm of the Mizzou gymnastics program, Head Coach Shannon Welker continues to make the Tigers a rising power nationally. He has led the Tigers to eight NCAA Tournament appearances, three NCAA Regional Finals appearances and the 2022 NCAA Championships. Along the way, he has coached numerous All-Americans and All-SEC honorees.

A BANNER YEAR

Another record-breaking season for the Tigers led by Welker, ending with the highest regional score in program history with 197.600 and a 3rd place finish at the NCAA Regional Final. Mizzou's score of 49.450 also earned them the highest vault score in regional competition. The Tigers set a new program-high championships score, beating both Arkansas and Georgia at the SEC Championships, along with a 2nd place finish at the NCAA Regional Second Round. Under Welker's coaching, the Tigers secured the 14th rank nationally and a 10-3 record, including wins over five nationally-ranked opponents.

Five gymnasts earned All-SEC Honors for the second year in a row: Amari Celestine, Helen Hu, Jocelyn Moore, Alisa Sheremeta and Sienna Schreiber. Moore and Hu were also named Women's Collegiate Gymnastics Association (WCGA) Regular Season All-Americans for the season. Claiming first-team honors on vault, Moore posted this accolade for the second consecutive time and Hu claimed second-team honors on beam.

REACHING NEW HEIGHTS

In a remarkable 2022 season, Welker led the Tigers to a 5th place finish in NCAA National Championships in April — the best finish in program history. The Tigers ranked 11th nationally, defeating LSU and Iowa in the NCAA Regional Second Round. Missouri grabbed hold of a top-two finish, topping UCLA and Iowa State, at

the Raleigh Regional to secure a spot at the NCAA Championships for only the second time ever. Under Welker's leadership, the Tigers also won on the road against Georgia for the first time.

Two gymnasts received Women's Collegiate Gymnastics Association (WCGA) Regular Season All-America honors — Jocelyn Moore and Sienna Schreiber. Moore claimed first team honors on vault, while Schreiber took second team honors on the beam and all-around. Welker received SEC Coach of the Year for his performance.

ABOUT WELKER

A four-year competitor on the University of Illinois at Chicago's men's gymnastics team, Welker served as a team captain for three years and earned the NCAA All-American Honors in 1996. He was also awarded the UIC Athlete of the Year honors that season.

Welker spent a year as the assistant men's gymnastics coach at his alma mater there at UIC, and was also, then, inducted into the University of Illinois at Chicago Athletics Hall of Fame in 2005.

Welker earned his undergraduate degree in kinesiology from UIC in 1998, as well as earning his master's degree in sports management from Eastern Michigan in 2012.

Shannon Welker and his wife, Molly Welker, have two sons, Ian and Brenden Welker.

WHITNEY SNOWDEN • ASST. COACH

Whitney Snowden joined the University of Missouri gymnastics staff in July 2022, who joins Mizzou following three seasons with Michigan

State. During her time with the Tigers, Snowden helped the Missouri gymnastics program break records in the 2023 season with her coaching. Against Arkansas, Mizzou set a new program-high score of a 197.850, pulling off the best team performance yet for the win against the Razorbacks. The vault lineup advanced for a new program record on the apparatus with a 49.450, along with punching a 49.550 on the beam rotation for another program high score. At the end of her first season with Mizzou, Snowden's leadership secured the Tigers the 14th seed nationally and a 10-3 record, including wins over five nationally-ranked opponents.

LACEY RUBIN • ASST. COACH

Lacey Rubin joined the University of Missouri gymnastics staff in May 2023, following a season with Arizona State.

During her short stint at Arizona State, Rubin helped the Gym Devils to NCAA regionals for the fifth-straight year. Rubin primarily coached the beam squad, which ended the season ranked No.19 in the nation, with a season-high of 49.475 set at regionals. In 2023, Arizona State had a record-breaking campaign, finishing 15th in the country. The Gym Devils went on to upset then-No. 4 Utah, set a program-record road score in a win over Washington and deal then-No. 11 Oregon State its first loss of the season.

JACKIE TERPAK • ASST. COACH

Jackie Terpak joined the Mizzou gymnastics staff as an assistant coach in June 2023. As an assistant coach, Terpak will focus on

choreography, assisting in coaching beam and floor, helping with recruiting and acting as a liaison for creative content. Terpak came to Missouri from Arkansas, where she worked with the gymnastics team during the 2022-23 season as a volunteer assistant coach and choreographer. Before her time in Fayetteville, Ark., she spent four years with the Temple gymnastics program. Starting as a gymnast, Terpak competed from 2018-2020, where she was a two-time Eastern College Athletic Conference Team Champion and made the All-Academic Team.
