ABOUT TARLETON

With its main campus in Stephenville, an hour southwest of Fort Worth, Tarleton State University offers the value of a Texas A&M University System degree with its own brand of personal attention, individual opportunities, history, tradition and community.

Tarleton is a vibrant learning community with nearly 100 undergraduate and graduate degrees, as well as a doctorate in education, within seven academic colleges – Agriculture and Natural Resources, Business, Education and Human Development, Graduate Studies, Health Sciences and Human Services, Liberal and Fine Arts, and Science and Technology. Tarleton has extended the reach of state-supported, affordable education by expanding online undergraduate and graduate programs and classes in Waco, Midlothian, and Fort Worth.

Recent additions to the main Stephenville campus include a state-of-the-art Nursing Building, and a new \$25 million living and learning residence hall for 500 students. Tarleton's research centers include the renowned Texas Institute for Applied Environmental Research and the Southwest Regional Dairy Center.

ABOUT STEPHENVILLE

Tarleton State University offers the value of a Texas A&M University System degree with its own brand of personal attention, individual opportunities, history, traditions and real community.

Located in the heart of Stephenville and encompassing a 173-acre main campus just an hour southwest of Fort Worth, Tarleton is one of the best university values in Texas and the perfect place for students to begin a future.

Tarleton offers the resources of a major public university, including more than 65 undergraduate programs, more than 20 graduate programs and a doctor of education degree, as well as cutting edge academic facilities and faculty experts with extensive university and industry experience – all with the personal attention, warmth and faculty interaction expected from a smaller college.

ABOUT TARLETON SPIRIT GROUPS

TTP AND TTS – Formed when Tarleton was a junior college, the Ten Tarleton Peppers (TTP) and Ten Tarleton Sisters (TTS) are the two oldest organizations on campus. These spirit organizations for men and women were formed in 1921 and 1923, respectively. New members of these secret organizations are selected by current members. When first organized, the two groups met late at night and prepared signs for upcoming athletic events. The basic signs at this time were made of canvas and were stretched between trees on campus. The clubs met in the attic of the old recreation hall, which is now the Administration Annex. The identities of the senior members were disclosed in group photos when the yearbooks were distributed. Senior members stood facing the camera while others faced away from the camera with various and sundry items placed over their heads. The groups are sponsored by faculty and staff members.

PURPLE POO – The TTS and TTP were precursors of the modern Purple Poo. The still-secret organization makes Poo signs each Monday night, which appear on campus every Tuesday morning. The signs occasionally comment on campus political life and student life, but most promote school spirit. These signs are nailed to trees on campus. Members appear in public dressed in costumes and identity is closely guarded.

THE PLOWBOYS – In 1984, a group of interested students established a spirit organization on campus and re-adopted the name "Plowboys," which was the former mascot of the athletic teams. The Plowboys attend athletic events and other campus activities and are familiar to students because of their white shirts, hats and purple chaps.

OSCAR P – Legend has it that John Tarleton, founder of the university, had a pet duck named Oscar P who went everywhere with him. The two were so close that Oscar P is said to be buried with Tarleton. At various student activities, the Purple Poo rally Tarleton students by raising the spirit of Oscar P. This is done by kneeling and pounding the ground while calling out "Hey, Oscar P." Although this has become one of the favorite traditions, there is no evidence to verify the story.

P.A.N.K.U.S. – The P.A.N.K.U.S. acronym stands for People Against Not Knowing University Spirit. People Against Not Knowing University Spirit is an organization, who embraces the Spirit and Traditions of Tarleton. P.A.N.K.U.S. was established at Tarleton in November 2001 and has grown into one of the biggest spirit organizations for students. Their purpose is to be an organization that involves students in spirit activities and events at Tarleton State University.

NOTES

NEW LOOK WAC

After finishing 7th out of 10 teams in its inaugural season in the WAC, Tarleton will now compete in the Southwest division as the conference split into two divisions after the addition of four fellow Texas universities. Abilene Christian, Lamar, Sam Houston and Stephen F. Austin begin their first year of competition in the WAC in 2022, joining Tarleton and UTRGV.

WAC PRESEASON POLL

Tarleton was chosen to finish sixth out of six schools in the WAC preseason poll for the Southwest division. The poll was released on February 9. The Texans received seven total votes.

NEW WAC ADDITIONS

Starting on July 1, 2022 the Western Athletic Conference will add two more Texas universities to the fold. University of the Incarnate Word and UT-Arlington will join the conference to run the total of Texas universities to eight. UIW is coming from the Southland Conference and UTA from the Sun Belt Conference. With Sam Houston set for a July 1, 2023 departure to Conference USA, the conference will sit at seven in the Southwest Division for the 2023-2024 season.

CONFERENCE DOUBLEHEADERS NO MORE

COVID-19 played a part in the 2021 season, forcing some conferences including the WAC to schedule four game conference series with doubleheaders on Saturday. 2022 should bring some normalcy back to the college baseball landscape as the WAC and most other DI conferences are back on the traditional three game Fri./Sat./Sun. series.

PRESEASON HONORS

Perfect Game USA named senior outfielder **London Green** and junior right-handed pitcher **Bryce Hackett** to its preseason All-WAC team. D1Baseball.com named the duo to its list of top 2022 MLB draft prospects in the WAC. Green came in at No. 8 with Hackett following behind at No. 18. D1Baseball also ranked freshman pitcher **Kyler Mentzel** No. 2 on its "Impact Freshman" in the WAC list. Tarleton did not have any players selected to the All-WAC preseason team which is voted on by the leagues coaches.

TRANSFER PORTAL

Of the Texans 18 newcomers for the 2022 season, five of them come from other DI schools (**Boyd, Campa, Crews, Daniell & E. Turnage**) and five come from junior college (**Dobrinski, Hickey, Kurahashi-Choy Foo, Ross and Williams**). The class garnered recognition from Baseball America on their "Notable Under-The-Radar 2021 College Baseball Recruiting Classes" write-up.

HOT ON THE RECRUITING TRAIL

Speaking of newcomers, the Tarleton coaching staff hit the recruiting trail hard this past season in pursuit of signing an instant impact 2021 class. There were seven freshman that signed with the Texans as well as ten transfers. The class garnered recognition from Baseball America on their "Notable Under-The-Radar 2021 College Baseball Recruiting Classes" write-up.

YOUNG BUT STILL THE BOSS

Tarleton head coach **Aaron Meade** is the fifth-youngest NCAA DI baseball coach in the country at 33 years and 292 days of age as of February 18, 2022. Meade pitched in the minor leagues for four years and was an assistant coach at the NCAA D1 and D2 level for a combined six years before becoming the head man at Tarleton.

CUTTING OUR TEETH

Tarleton is in its second season at the DI level and the Texans are diving in head first. Tarleton takes on five different Power 5 opponents in the 2022 season. Early in the season Tarleton has a stretch of five straight games against Power 5 opponents as they host Washington State (March 2), have a series at Missouri in Columbus (March 4-6), and head back to Bryan-College Station to play Texas A&M for a second consecutive season (March 8). They play at Baylor (May 3) and at TCU (May 17) later in the season.

RETURNING FIREPOWER

Three Texans on this seasons roster garnered honorable mention All-WAC in 2021. **Bryan Aguilar, Kemuel Thomas-Rivera** and **London Green** figure to lead the Texan offense this season as they accounted for nearly 30% of Tarleton's hits last season.

FACILITIES UPGRADES

Tarleton installed Hellas Matrix Turf on its baseball and softball field and all bullpen areas before the 2022 season. Surrounding the new turf is brand-new, 10-foot high Champion Wall in the outfield and six-foot high, vinyl-coated chain-link fencing down the foul lines. The baseball field extends up to 16-feet high in centerfield for the batter's eye. The project also included a new Ephesus LED Lighting system at both fields. The upgraded lighting system enhances both venues and meets the requirements for hosting NCAA regional broadcasts.

When the 2022 baseball season begins, Aaron Meade will begin his third season as the head baseball coach for Tarleton State University.

In his first full season at the helm, Meade and the Texans proved to be an up-and-coming force in the Western Athletic Conference. Comprising a schedule of multiple high-caliber teams including Texas A&M, TCU and Dallas Baptist, Meade's Texans showed the nation they were ready to compete at a high level. His team pushed Texas A&M to extra innings in their first midweek game of the year, took the series opener against #14 Dallas Baptist, and made a late-inning comeback against Meade's alma mater, Missouri State. The Texans also collected non-conference home wins over future WAC rivals Lamar and ACU.

Meade coached two WAC Players of the Week in London Green and Bryan Aguilar, as well as one WAC Pitcher of the Week after Alex Pinedo tossed a complete game two-hit shutout against Northwestern State. Meade also coached seven players to All-WAC Honorable Mention awards to close out the season.

His debut season was cut short due to the COVID-19 pandemic, but his career was certainly off to a stellar start. Meade led the Texans to 14 wins in the first 24 games of the season for a win percentage of .583, which is the highest by a rookie head coach in Tarleton's NCAA era. Meade's first career coaching win was a 10-0 shutout of UT Permian Basin in his home debut. Justin Waltmon threw a complete-game shutout on the bump for Meade's milestone victory.

Meade was announced as the eighth head coach in Tarleton's modern era of baseball on July 23 and introduced at a press conference on July 24.

Meade came to Tarleton after a four-year career as the top assistant and pitching coach at Pittsburg State University (MIAA) in Pittsburg, Kansas. In his last two seasons, Meade helped the Gorillas to back-to-back 30-win seasons, their first since 2004, and led the pitching staff to its lowest team ERA since 2002 (3.91) in his final year. In 2018, Meade helped lead the Gorillas to their first NCAA regional tournament since 2002.

Prior to his four seasons at Pitt State, Meade spent one year at William Jewell College and helped the Cardinals to their first NCAA regional tournament berth in school history. He also spent a season as the volunteer assistant at his alma mater, Missouri State, where he helped the team reach the semifinals of the Missouri Valley Conference Championship Tournament.

In his coaching career, Meade has coached seven Major League Baseball draft picks including 2015 Toronto Blue Jays first-round RHP John Harris (29th overall). Meade's other draft picks include Matt Hall (2015 Detroit Tigers 6th round RHP), Colton Pogue (2018 Washington Nationals 28th round SS), and Alex Achtermann (2019 Colorado Rockies 30th round RHP). Hall reached the Major Leagues in 2018 with the Tigers. He also coached RHP Cal Quantrill during summer ball in 2014 prior to his selection as the eighth overall pick by the San Diego Padres in the 2016 MLB Draft.

Meade shined on the field for Missouri State from 2008-10 where he was a two-time All-MVC selection before being selected in the 10th round (324th overall) by the Los Angeles Angels. Meade pitched in the minor leagues for four seasons, winning nine games and striking out 165 batters in over 200 innings of work. He was named the Angels' Instructional League Pitcher of the Year in 2010. He resides in Stephenville with his wife, Katherine, and daughter, Joelle.
